FIGHT SONG

We're the Cougars, fighting to the end
We're the only team that never will surrend
We will always say, "Oh team fight on"
Courageous Cougars, Victorious and Strong
Green and Gold, Oh, We will always win
in the darkest hour we shine
Oh Kennedy, yes we will always sing to thee
So come on and Cougars FIGHT! FIGHT! FIGHT!
We're the Cougars,
Yes the C-O-U-G-A-R-S
So let the whole world know
We're green and gold!

SCHOOL HYMN

On we march through paths of wisdom,
Searching for what's true and right,
And so we sing our praise to thee,
To thee, O Kennedy High.
We've seen your glory
We know your greatness
Through the dim and the bright,
And so we sing our praise to thee,
To thee, O Kennedy High
And so we sing our praise to thee,
To thee, O Kennedy High

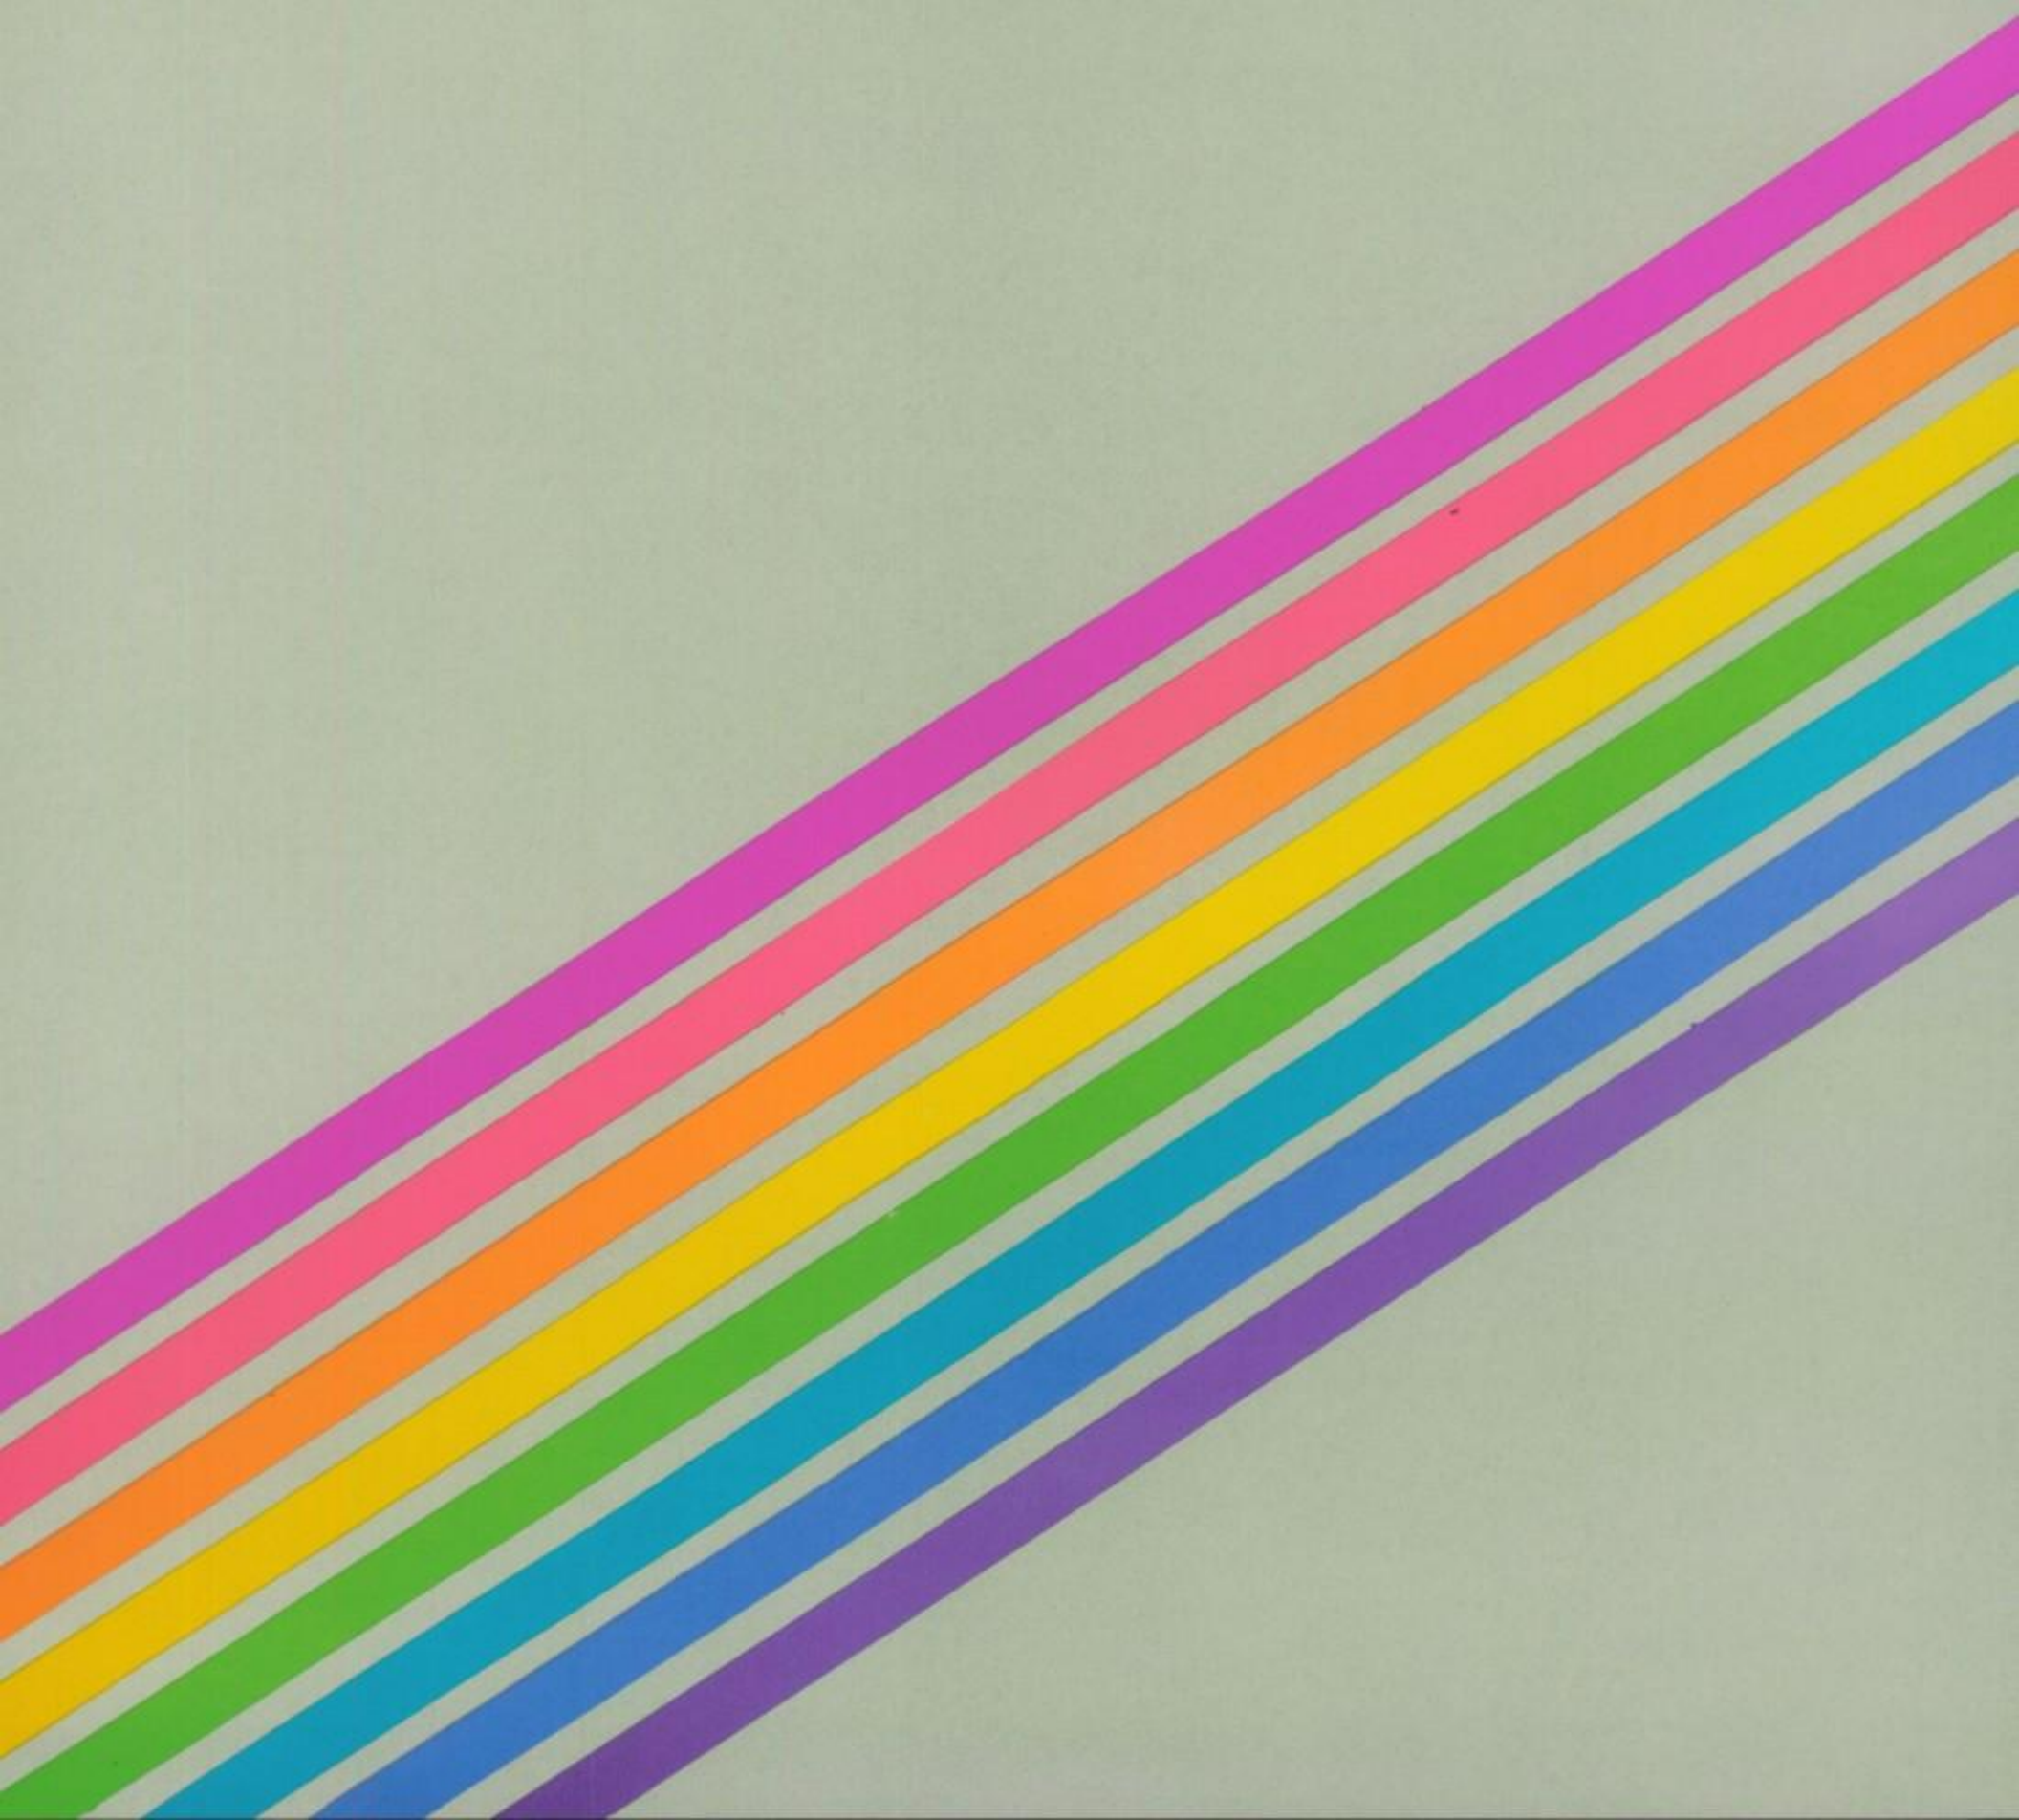

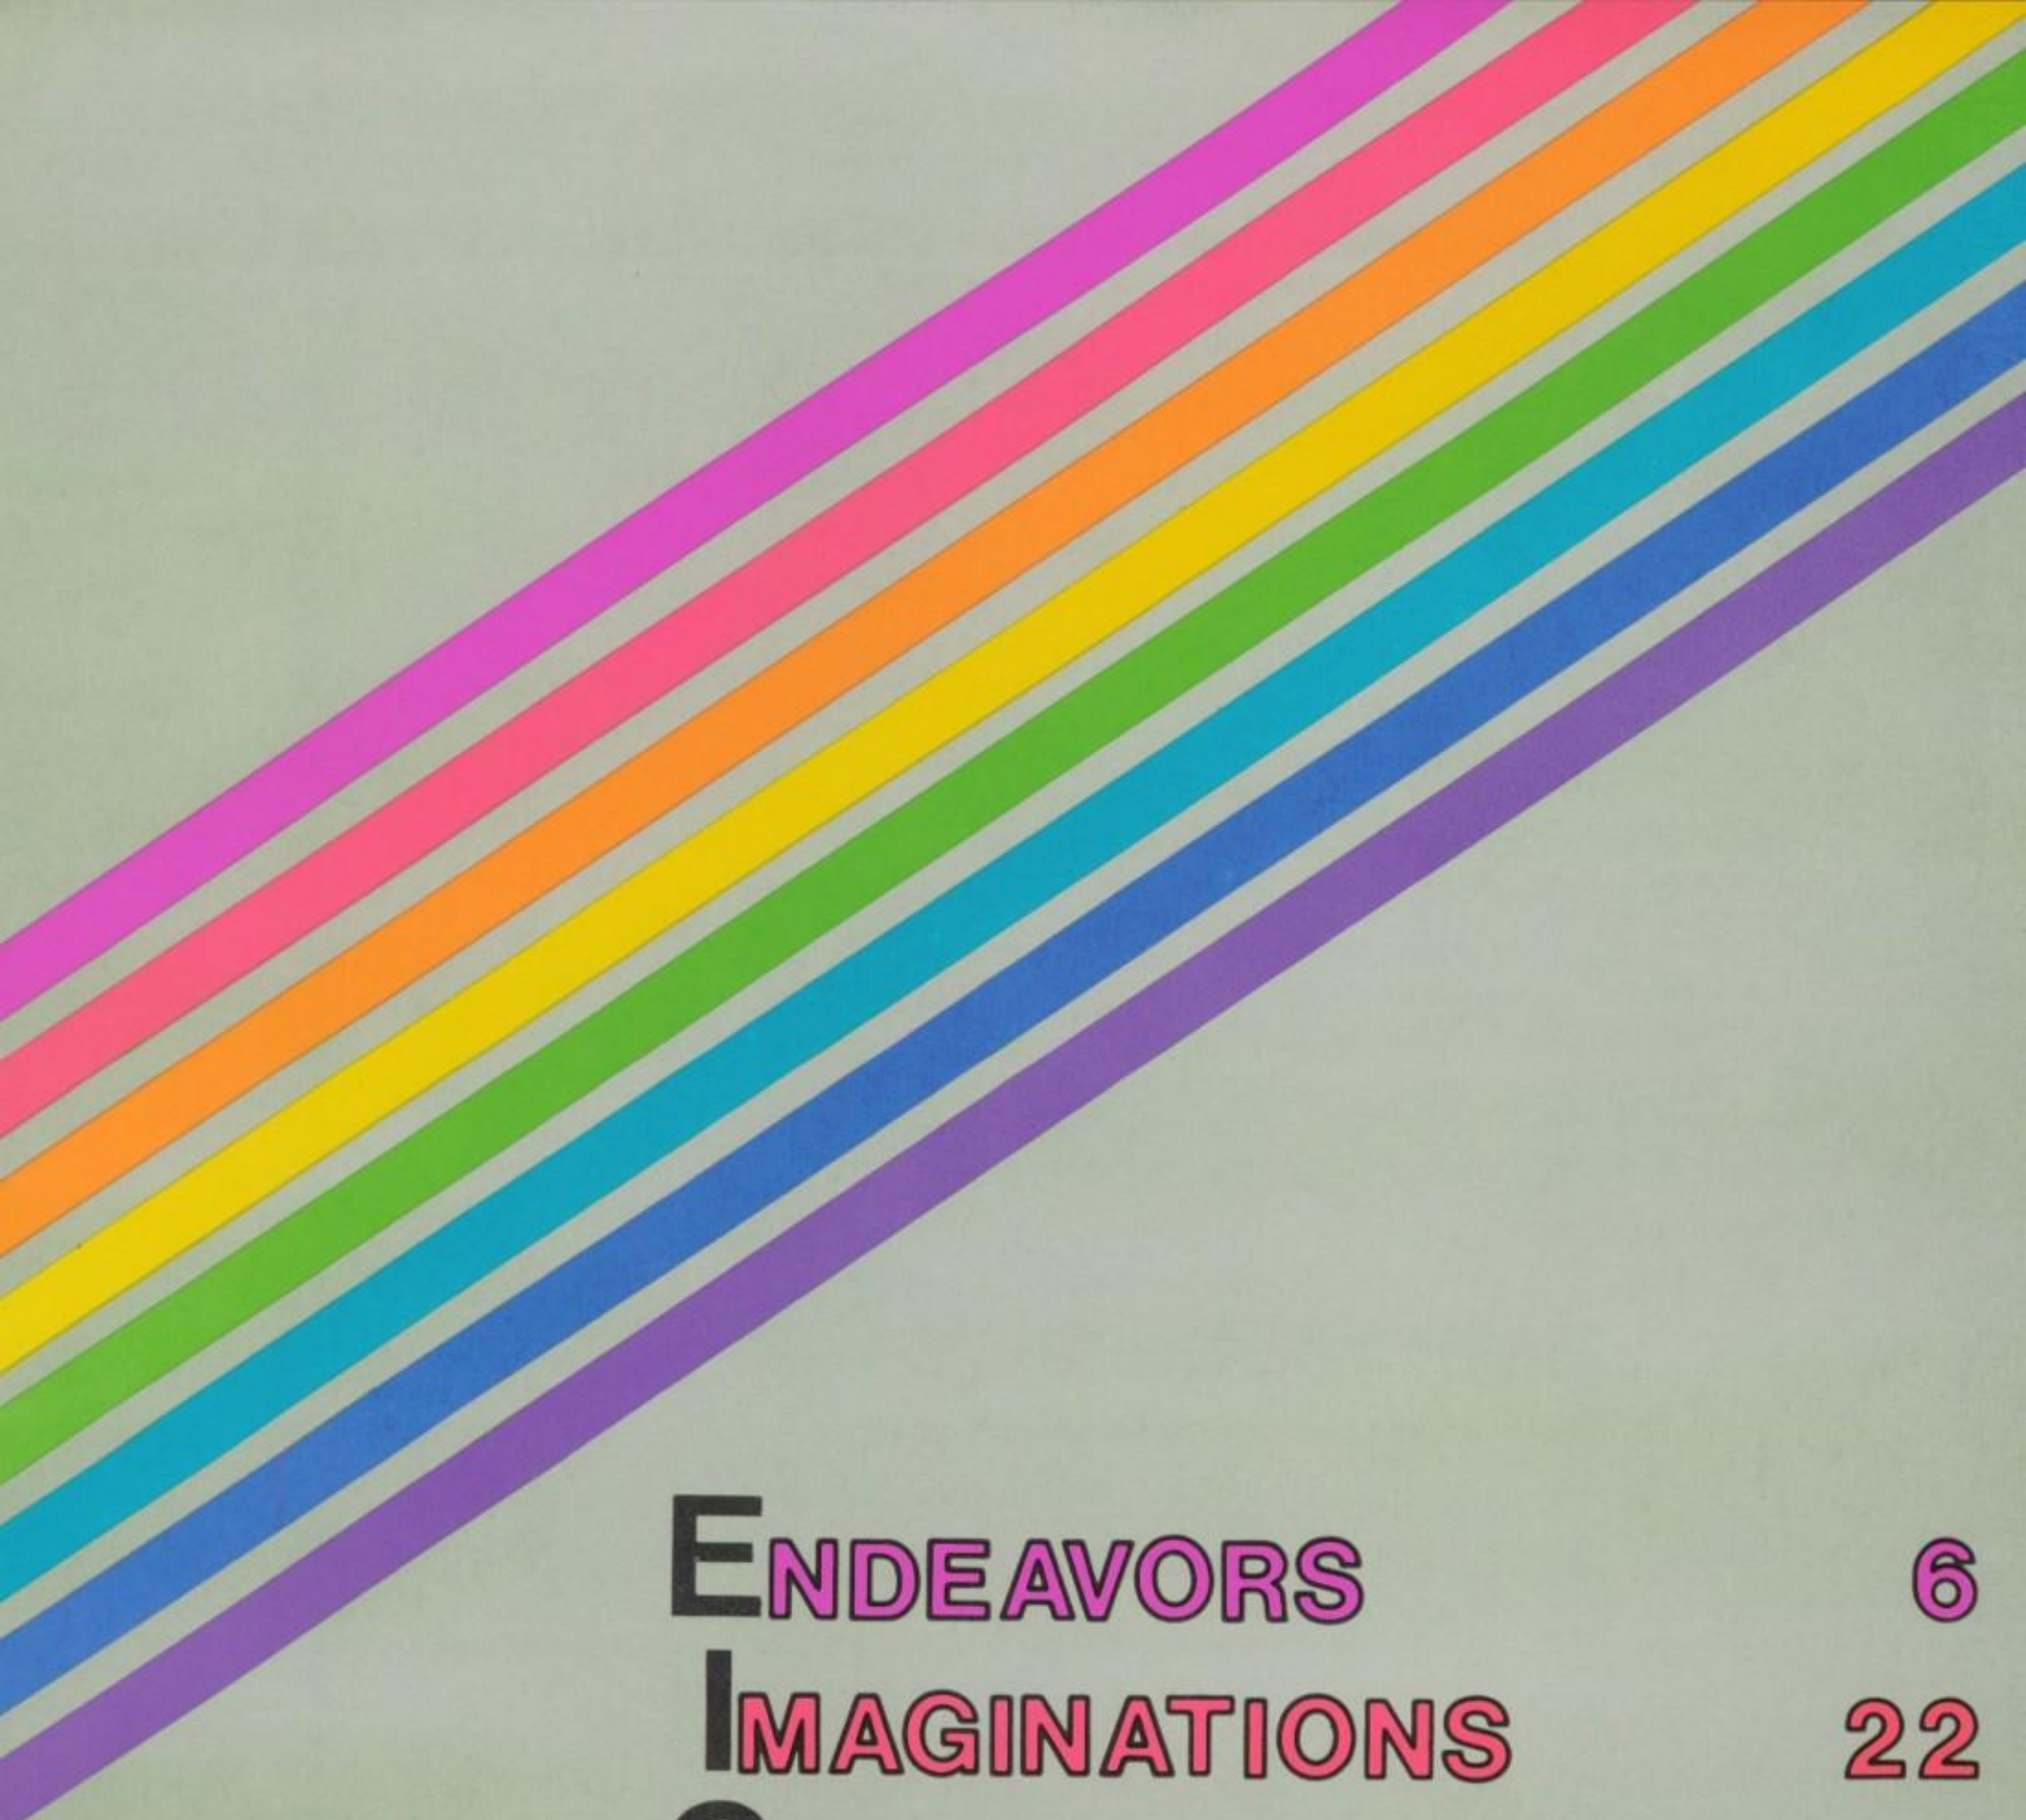

We are, all of us a
reflection of what we
do with Time, of what
we want—or at least
what we want enough
to be willing to work
for.

Floats Take Cover

Although it was a very rewarding and successful evening, the weather did not cooperate. All three classes were forced to cover their floats and hope the rain and wind would not destroy all their hard work.

The Junior Float with the theme "Roll Out The Titans" took first place with a motorized steamroller and a flashing light as it flattened the Titans.

The Sophomores had a late start but followed through with their second place float with the theme "Tar the Titans." Casey was standing proud and busily covering a very depressed Titan with tar.

The Seniors were awarded third place as they demonstrated their creative talents by exterminating the Titans. Casey the Cougar activated a giant spray can which knocked over the Titans.

The floats showed how extremely hard all three classes worked to show their dedication and spirit.

Cougars Tame The Titans

Thanks to the Kennedy Football team the thirteenth annual Homecoming game once again proved to be a victorious one for Kennedy. The Cougars delighted a Homecoming crowd of 2,000 at Hughes Stadium with sixteen fourth-quarter points and a come-from-behind 22 - 19 win over the Burbank Titans.

The Cougars were forced to win the game twice in the final period as Burbank regained the lead once in what turned out to be a topsy-turvy final twelve minutes. Special credit for the victory went to Lino Cedros who got the Cougars rolling with a seventeen yard run. Tailback Carlton Matthews who put Kennedy in a position to take the lead for the first time with a fourteen yard scoring run with only 7:44 left is also to be recognized.

The game proved to be a memorable highlight of the Homecoming week.

As the second quarter drew to a close, the Cougar team was trailing. The crowd sat in anticipation of the halftime festivities. As the sky blossomed into sparkling lights, the John F. Kennedy Marching Band presented their award-winning show. During the performance the procession of cars brought the Homecoming Royalty to the stage before the Cougar crowd. As the program continued, the three class floats, along with the alumni and current spirit leaders, received an enthusiastic greeting from the crowd.

Following the procession, Nancy Nuzum, Student Body President, announced that the class with the most spirit during Homecoming Week was the Seniors and the Juniors were presented with the first place float award.

To finish up the festivities, Kathy Abe was presented the crown and became the thirteenth Homecoming Queen in Kennedy's history.

As the fireworks dimmed, the determined Cougar team returned to defeat the Titans.

Thirteenth Annual Homecoming Week

Monday, October 15, marked the beginning of the Thirteenth Annual Homecoming Week and also began the class competition for the spirit stick. Three judges from each class tallied points each morning on subjects ranging from; spirit marches, costumes, decorations, and, of course, class spirit. The class with the most points at the end of the week was awarded the spirit stick at the halftime festivities.

Student Government began the week with SPORTS DAY which included lunchtime activities such as water balloon and basketball tosses. The Juniors, going for a win, had a spirit march which included an introduction by herald trumpeters and a sock-hopping dance routine to the music of Twelve O'Clock Rock. Many could be seen that day with slicked-back hair or below-the-knee skirts. Obviously, it was FIFTIES DAY - a good one at that! Although winter was approaching, Wednesday's weather was a carbon copy of summer. Therefore, the Senior's BEACH DAY had a sunny welcome and it seemed as though it was time for each to grab his lotion and run to the beach. The Seniors delighted us with balloon sales, volleyball games, and even tests of wisdom as you competed against the clock. The march presented by the Seniors demonstrated not only their spirit but also a togetherness that could not be matched. Showing an abundance of spirit, the Sophomore's definitely showed that they were truly a great class by having a fantastic turnout for their spirit march. A rare occasion maybe, but weapons were allowed on campus (play and plastic, though) because it was GANGSTER DAY! The Sophomore's had their first fundraiser of the year, a bubblegum cigar sale which fit well with their theme. Friday, the end of the week, brought us GREEN AND GOLD DAY which was presented to us by Cabinet. A quad picture was taken at this time and the spirit of the school could not have been more unified. This day presented us with a great way to prepare us for the exciting game that lay ahead. The students at Kennedy certainly showed much spirit during the week as they cluttered the school with various commercial signs, posters, and last but not least, a tombstone. It was enough to bring out the police to investigate!

Racers, start your engines.

Thirteenth Annual Homecoming Dance

"Wishing On A Star"

Seniors Spend An Evening Wishing On A Star

The Senior Class of 1980 presented the Thirteenth Annual Senior Ball, entitled "Wishing On A Star". The Ball was held on Saturday, January 12, 1980 in the CSUS Redwood Room. Close to 200 couples danced the evening away to the sounds of "Arrival" amidst the starry colors of midnight blue, silver and black. Their magical evening came to an end at 1:00 a.m. as the couples left the Redwood Room hanging on to memories that will be cherished forever.

Planning and preparation for the long-awaited evening began long in advance under the supervision of general chairpersons Karen Potter and Ron Ishimoto. Eighteen individual committee chairpersons and countless committee workers dedicated themselves to numerous hours of tedious work to make their Senior Ball a success - and a success it definitely was.

Much of the responsibility for the success of the Senior Ball was attributed to the work of people such as sponsors Mr. George Gridley and Mr. William Shelley, Mr. Byron Clemons, Mr. Paul Erickson and Mr. Norman Smith. Without these diligent individuals the Senior Ball would never have been possible. We, the Senior Class, would also like to thank them for their invaluable assistance, dedication and guidance they have given us over the past three years. Its been great!

Class Of '80 Is On The Ball

The Class Of 1980, under the direction of President LaVerne Sen, began their final year with hopes and ambitions for a successful senior year. In anticipation of the class' numerous activities, the seniors set their first priorities toward fundraisers. The seniors' fall term fundraisers included many bake sales, candy sales, newspaper drives, a Bowl-a-thon, Dakin animal sales, and a very successful 24-hour Dance Marathon. An excess of one thousand dollars was brought in through these time-consuming fundraisers.

The first project of the year was Homecoming, again reviving the spirited rivalries among the classes. Through the painting of signs, the organization of rallies, and the great participation of the class members, the Senior Class triumphed by winning the spirit stick, awarded for outstanding spirit through the week.

Immediately after Homecoming, the seniors began their major undertaking, the Senior Ball. "Wishing On a Star" became a treasured memory of high school for the seniors as they danced the night away at the Redwood Room of Sacramento State University to the sounds of "Arrival."

Seniors Spark The 80's

Closing in on their final lap, the Senior Class faced the difficulty of organizing major forthcoming activities. These events included the traditional Disneyland trip, better known as Grad Night, the Senior Banquet with a dance following, and of course, the grand Commencement ceremony.

Fundraising activities included the sale of newly-designed class T-shirts and a successful Cowboy Day during the spring spirit week. Under the leadership of Lino Cedros, the semester was again enjoyable and a good learning experience for all involved.

Row I: Steve Fong, Therese Durand, Lori Olsen, John Signorotti, Rochelle Uda, Lino Cedros, Janet Parker, Beverly Chan, Lynelle Lee, Kim Weathersbee, Cindy Tom, Jeff Yuen. How high I can reach,
how far I can see.
A million tomorrows ahead,
are waiting for me,
Somewhere over the rainbow
beyond the horizon,
Time marches on and
I'm going to march with it!
Now don't try to tell me,
the sky is the limit.
How much can I feel? How high can
I grow?
How wide can I reach? How far can
I go?
Farther than you'll ever know . . .*

Havin' Fun With '81

The Junior Class was very active in the fall semester of the 1979-80 year. Their first fundraiser was a dance-skate party on July 27 at Florin Skate Center. Music was provided by "The Next Best Music Machine." The dance went very well due to the leadership of general chairpersons Danny Macaluso and Alan Taylor. After a short break, the "Class with Class" was working hard once again towards the upcoming 1979 Homecoming festivities. Due to much hard work and planning by many students in the class, the Juniors took the number one spot in the float and second to the Seniors in the spirit competitions. The class of '81 took a different approach toward the Christmas Dance with entertainment by a disc jockey rather than a band. What was left of the semester was spent making arrangements for their Junior Prom which was held in April.

We're Number Eighty-ONE

Reminiscent of their years as Sophomores, the Spring Junior Council continued to "roll in the dough." After a successful Christmas dance, the Juniors, under the direction of General Chairperson Beth Gerald, staged a Media Basketball game which was highly successful. Due to the large treasury, the council was able to devote an unlimited amount of time for organizing their Junior Prom entitled "A Night of Extravagance." Aiding Chairpersons Kris Yamaichi and Jenny Smith were those who spent long, and often hard hours in making this event memorable. All of the officers helped to make the Junior Class have a very successful year.

Sophomores Stay Afloat

Row I: President Ken Adams. Row II: Sponsor Doris Haskins, Vice President Sabrina Brown, Senator Laurie Downs, Senator Mindy Shimada, Senator Richard Fukui, Secretary Trudy Nodohara, Treasurer Reggie Young.

During the beginning of the fall semester it was questionable whether or not the Sophomore Class would ever have a sponsor. It seemed as though no one was interested. All of a sudden, 3 Kennedy teachers volunteered and the Sophomore Class became the first to have so many sponsors. With the help of Robert Visnick, Evan Weir, and Doris Haskins the class of '82 had a terrific fall semester. First of all they had a successful bubblegum sale held during Homecoming Week on their Gangster Day. Even though the class started late the Sophomore Homecoming float placed second in competition. The class also held a bake sale which turned out to be a big moneymaker. Following that was the See's Sucker Sale where members of the council sold the suckers to the general public. In that period of time a large amount of money was raised. Finally, highlighting the semester, Sophomores sold coffee, hot chocolate, soda, and donuts at the Greenhaven Soccer Tournament.

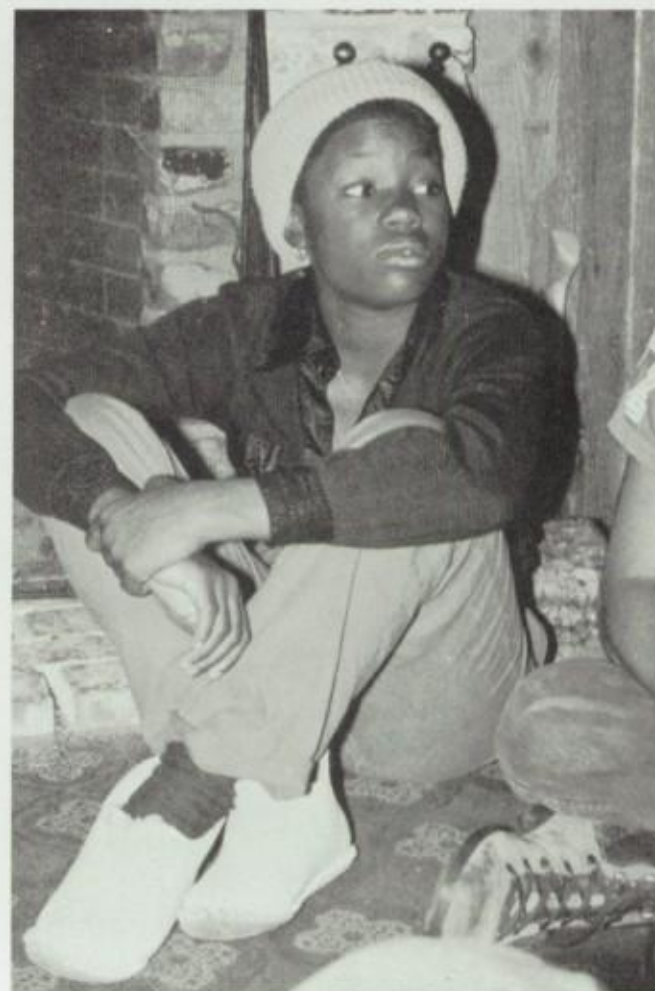

Row I: Sponsor Doris Haskins, Richard Fukui, Laurie Downs, Mindy Shimada, Ken Adams, Sabrina Brown, Trudy Nodohara, Reggie Young. Row II: Gina Vona, Leina Blaisdell, Katy Patterson, Kairn Johnson, Kristin Willey, Stephanie Dun, Lynn Angel, Jennifer Young. Row III: Sponsor Robert Visnick, Sheri Spradley, Susan Bianchini, Kelley Clark, Teresa Hatton, Carla Edington, Lisa Nash, Claudette Lamothe, Linda Chiu, Janice Fong. Row IV: Sponsor Evan Weir, Kris Sandoval, Jill Pebbles, Ann Boothby, Tena Quessenberry, Tami Warner, Janine Brust, Steve Traversi, Clifton Brooks, Ann Wutke.

Secretary Erin Lai, Vice-President Lisa Nash, President Laurie Downs, Senator Sabrina Brown, Senator Ken Adams, Senator Derek Morgan.

Row I: Judy Long, Reggie Young, James Kyser, Erin Lai, Sabrina Brown, Laurie Downs, Ken Adams, Lisa Nash, Derek Morgan, Clifford Brooks, Steve Traversi, Row II: Teresa Brust, Tena Quessenberry, Susan Bianchini, Jill Pebbles, Kristen Willey, Kelly Clark, Dina Saika, Maureen Fetros, Teresa Fong, Janice Fong, Carlen Torres.

This spring's sophomore class had a very productive semester. It began with a bang when February's extremely profitable Sophomore Hop started the class off on the right foot. The class continued showing it's spirit throughout the year under the leadership of Laurie Downs. The members of the class of '82 advertized their spirit through t-shirts, as well as making a tremendous success out of their spirit day, Pajama Day.

Cruz'n At The

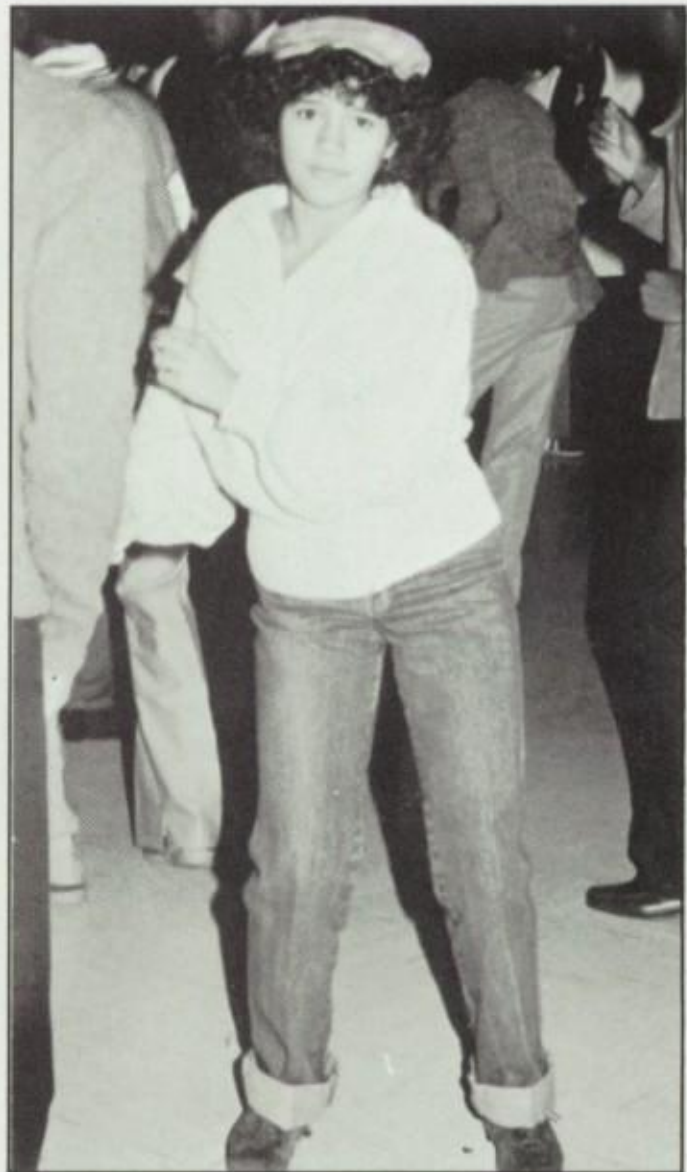

February 1, 1980

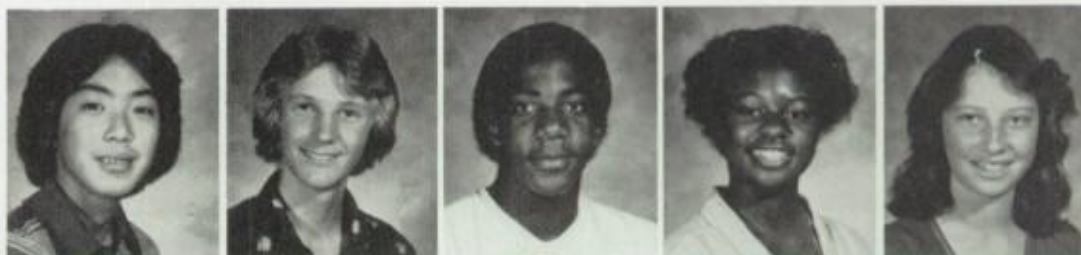

The Thirteenth Annual Sophomore Hop, held on February 1, 1980, was a tremendous success. Approximately six hundred people danced in the cafeteria to the music of The Next Best Music Machine. Chairperson Laurie Downs organized the dance which grossed over twelve hundred dollars for the class of '82. Congratulations to the sophomore class on a job well done!

Director: Nick Anguilo
 Business Manager: Dick Gury
 * Section Leaders

Thanks to Mr. Anguilo, our great band director, this year's band was one of the best ever.

They started out the year going to Loomis for a field competition, winning first place in the "A" division. The group of 160 then went into a field competition at CSUS taking the sweepstakes award. They also competed in Clovis High School's State Championship capturing first place in the Open Class Field Show Competition. The band received the sweepstakes award in Old Sacramento's "Battle of the Bands" parade competition over other Sacramento area high school bands.

The annual Arts and Crafts Fair, the Crab feed and the Monte Carlo Night all proved to be successful fund raisers for this year's travels. These travels included their tour to Canada.

Drum Majors Keep A Step Ahead

What does it take to organize a pack of one hundred fifty students into a top-notch marching unit? It takes a responsible and dependable person who is willing to donate many hours of free time, put forth tremendous effort, and remain patient and pleasant. There are two people chosen to attempt this tremendous undertaking. They are our marching band's drum majors, Brian Nagai and Assistant Aaron Ellison. This reliable duo courageously led the troupe through a successful season, winning many awards for their drum majoring skills. Drum Major is a very appreciated and honorable title, and this year's were a fine example of this honorable position.

Asst. Aaron Ellison and Drum Major Brian Nagai

If You Can't Beat 'Em Join 'Em!

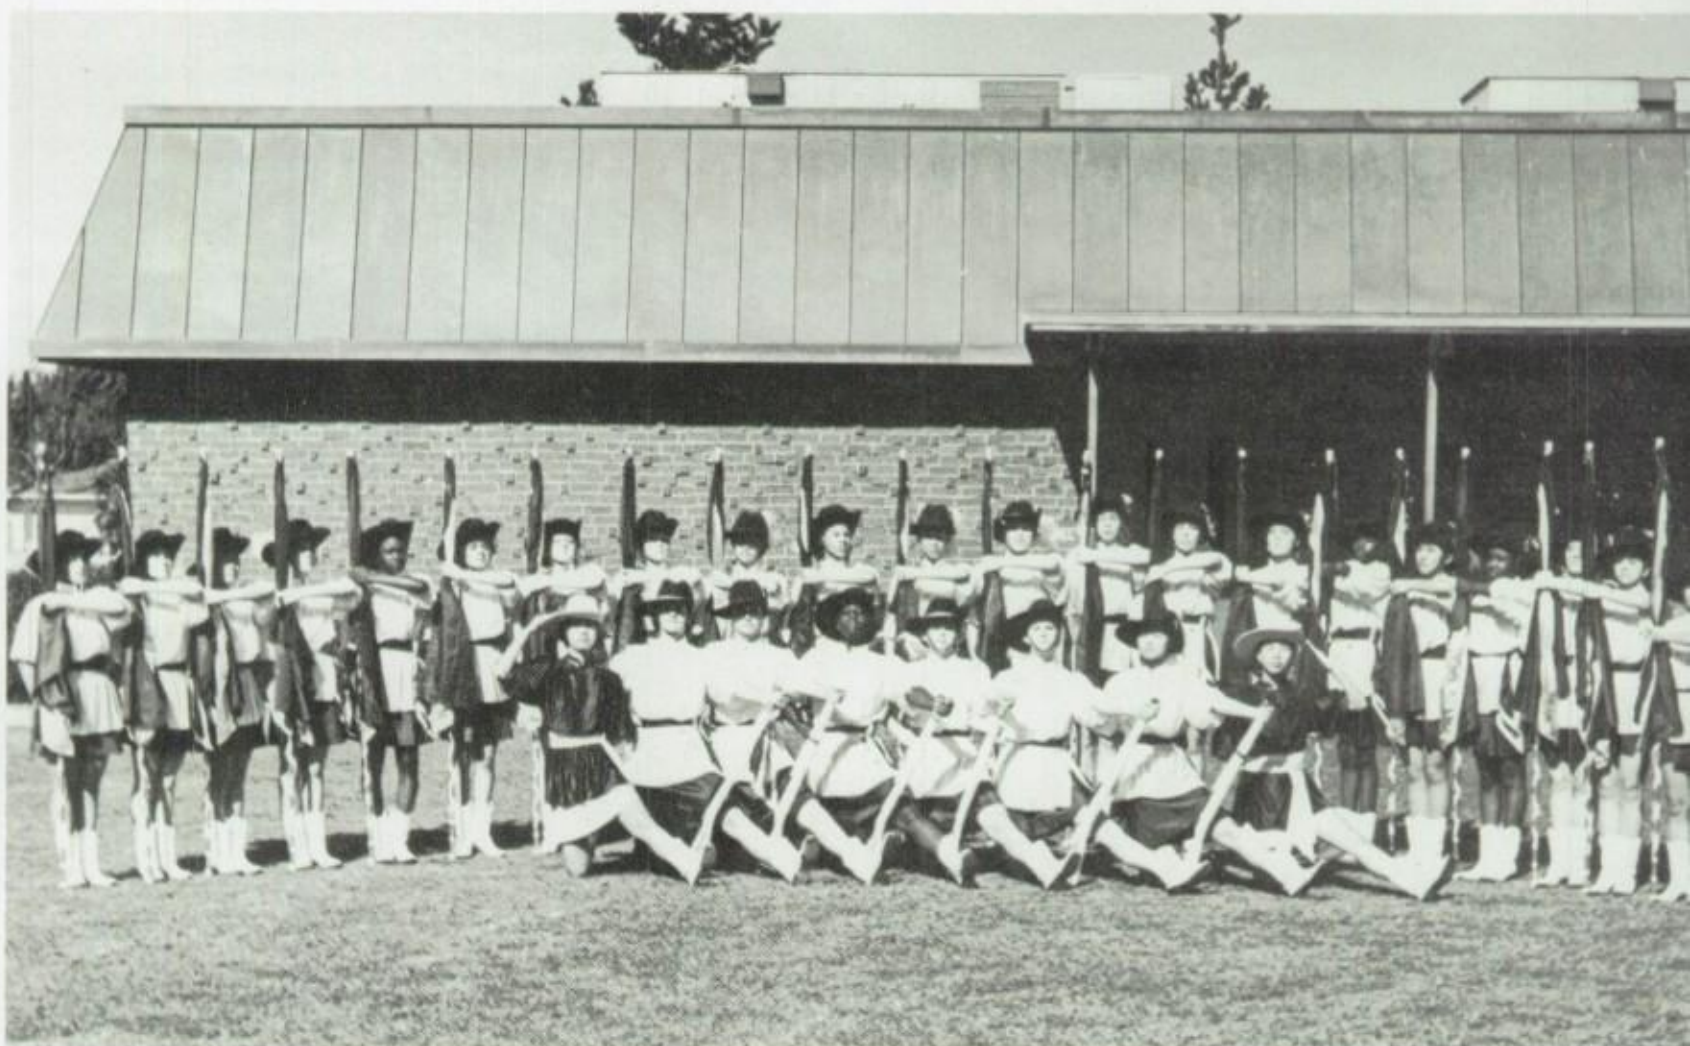

Kennedy's drumline consists of about thirty people each trained on various percussion instruments. Besides performing with the band as a drum section, they also compete separately from the band as a Drum and Bell Corps. With the help of special instructors, the line held practices bi-weekly as well as during band class to develop and sharpen their skills. Being one of the largest high school lines in all California, Kennedy's drummers are well known and are certainly an asset to our strong band.

Kennedy's Color Guard finished a very strong season under the command of Captain Wendy Matsuo and Co-Captain Jeannie Gee. The guard received special instruction from two very talented people from Freelancers Drum and Bugle Corps, Ed Turner and Vickie Merk. The color guard performs as part of the marching band during the competitive season, providing visual effects on the field and on the street, using flags, rifles and sabers, coupled with dance choreography. This season, the color guard formed another branch called the Winter Guard. This Guard consists of color guard members, as well as band members who choose to participate. This unit performs on a basketball court to recorded music, presenting a fast-moving and colorful display of showmanship. This was, indeed, a worthwhile plus to the present fantastic color guard.

Tune In On Orchestra

The JFK Concert Orchestra was, once again, a truly outstanding ensemble. Not only were the strings among the finest in all of Central and Northern California, but the winds were made up of some of the finest musicians from the concert band.

The Orchestra performed at least one major concert per month which included: a combined concert with Sacramento State University Orchestra, the U.O.P. Festival, an exchange program at San Rafael High School, the largest representation for the Central and Northern California All Star Orchestra in San Jose, the All Star Honor Orchestra at the State Convention, and this year's outstanding musical. The group also performed at the Golden Empire Festival where they achieved another superior rating.

The Kennedy Orchestra carries a well deserved pride and recognition based on its tradition of excellence.

Choir Tips The Scales

The members of the choir experienced lots of work, many good times, and travel during the school year of 1979 through 1980. It took much work to learn their music and to attain a good chorally balanced sound. Once that task was achieved, the choir had many good experiences traveling and performing in various areas.

The Concert Choir performed many concerts in Sacramento and appeared on Channel 10 T.V. In March they traveled to Los Altos for the Foot Hill College Choir Competition and on June 6 the troupe departed for their tour in Hawaii.

The Jazz Choir traveled to both the Foothill College Invitational Jazz Festival and to the College of the Siskiyous Invitational Jazz Festival.

A few members were honored to be selected to sing in the honors group and received special awards for their talents.

Kennedy Drama Presents

Annual Fall Plays:

"Impromptu" *"I'm Nobody"*

This year's Fall Play, under the direction of Mrs. Scott, was a huge success. It was acted out on November 16 and 17. The play was presented here at Kennedy with the curtain call at 8:00 in the evening. The plays, "Impromptu", and "I'm Nobody", seemed to be liked by everyone in attendance. "Impromptu", was a play about four actors trying to put together an improvisational play. Their process helped the four actors to learn much more about themselves. Paul Williams, Jocie Johnson, Cora Dawson, David Ruble, and David Walton were the cast in "Impromptu".

"I'm Nobody", was about the destruction of mankind, and the lack of individualism among the people in the world today. The cast of "I'm Nobody", consisted of Karen Thorpe, Phil Onstott, Kristen Armfield, Diane Makimoto, David Ruble, Michelle Coughlan, David Gist, Kim Fanning, David Walton, Kim Laudenschlager, and Jim Weber.

Forward With Cabinet

Row I: Vice President Shelley Kassis, Secretary Karen Potter, President Nancy Nuzum, Treasurer Chico Chavez.

Because of the serious cut-backs resulting from proposition 13, the fall Kennedy Cabinet had to start the year during the summer in order to make arrangements for the losses they were to encounter. The wonderful Student Activities Advisor, Byron Clemons, is now a history teacher and under the new direction of principal Ron Morgan many adjustments had to be made. Despite the problems that the Cabinet had to face, the Student Body Officers worked very hard in order to lead Cabinet through the fall.

Homecoming was a tremendous success due to the fantastic committee organization in Cabinet. Everyone was kept very busy the three weeks prior to the event and despite the rain the evening turned out beautifully. After Homecoming, Cabinet worked on the rewriting of the constitution. Spending many early mornings discussing the twenty page document, they came up with some excellent changes. The rest of the semester was also filled with attending School Board meetings. The fall Cabinet became very interested in the functioning of the Sacramento School Board, and planned several ways to counteract the decision of "No Student Activities Advisor".

The annual Sea Ranch trip was another exciting event during the fall, for it was a new experience for most of the members and it seemed to bring all of Cabinet closer together. With Student Body Card sales up, Cabinet concentrated on volunteer work rather than fund raisers. Because of the excellent Public Relations Chairperson, Betsy Reynolds, Cabinet worked with both the County Supervisor and Martin Luther King Library. They also assisted in getting the word out for the September election, which got them coverage in the Sacramento Union. The Public Relations Committee ended the year in December by adopting a family for the Christmas holidays.

Most of the fall was spent working with the public and through these many new experiences they learned much. Cabinet had a very successful term. The fall Cabinet of 1979 should be commended for such a fine performance.

The Kennedy Cabinet during the Spring semester carried out many public service projects for community groups under the direction of Chairperson Janet Parker. President Chico Chavez organized many fund raising activities to help defray the cost of Spring activities. A weekend of rest and fun on the coast in March helped make the semester unforgettable. The Spring Cabinet brought many people together with different backgrounds which proved to be challenging for all those who experienced it.

Varsity Shows Spirit

Being a Varsity Yell Leader or Songster is not a simple task. This year's Varsity squads, led by Delynn Morgan and Jennifer Rowney, put in many hours of hard work making and perfecting their routines. The practice sessions began in May of last year and continued throughout the entire year. In August all twelve members of the Varsity squads participated in a cheerleading camp for three days at the University of Santa Cruz. The camp provided the spirit leaders with new cheers and routines that were later judged. The girls were awarded ribbons and trophies for their outstanding performance there. School began in September with the girls leading numerous spirit marches and rallies. During Homecoming Week many football players awoke to find their houses covered with toilet paper. Basketball season started great with the squads bringing home trophies for outstanding cheerleading from a tournament in California. During the second semester they were kept busy by leading a half time class for those interested in trying out for next year's squad. Thanks to the hard work of the Varsity Spirit Leaders here at JFK, the students experienced great spirit and unity.

JV Rock

The Junior Varsity Yell Leaders and Songsters, headed by Jackie Lai and Susan Iwahiro, had a great year. The tiresome hours of practice began in the early summer. In August of '79 the squads took off for the University of Santa Cruz for three days. There the squads won several awards in different categories for their superior spirit. They returned ready for the school year filled with new ideas and soaring spirit. With the support from Cougar Central and General, Pepsters, Varsity, and especially the crowd; the JV squads were able to cheer on Kennedy's outstanding teams. Along with the long hours of hard work and practice the Yell Leaders and Songsters had a fun-filled, exciting year never to be forgotten.

Pepsters Add Life

With the Pepsters enthusiastic support, spirit at Kennedy reached a new high during the 1979-80 school year. Pepsters could always be found at football and basketball games cheering on the teams.

During the past summer the group held many car washes and bake sales to raise money to purchase their beautiful green and gold uniforms which they wore with pride on spirit days, game days and at the games. The Pepsters enjoyed a tremendously spirited year!

Spirits Having Flown

The traditional JFK Spirit Committee consists of the J.V. and Varsity Yell and Songster heads, the Drum Major, the assistant Drum Major, the Cougar Central and General Chairpersons, and the Audiovisual representative.* This committee organized and promoted all spirit related activities on the Kennedy campus. Whether it was a spirit rally or activities for a football game, you can be sure that this enthusiastic group was behind the scenes, striving to keep Kennedy's spirit No. 1!

Three Cheers For Central

Cougar Central, a committee open to Juniors and Seniors, worked with Cougar General to make Kennedy's spirit the finest ever. Central could be found cheering at football and basketball games, decorating the stadium, selling programs, pom poms, and working in the Snack Bar.

This year, under the leadership of Gina Peryman, Central had one of its most successful seasons.

Cougar General, a committee open to sophomores, worked hard to promote spirit at JFK. General, along with Central, cheered at the football and basketball games. They also decorated the stadium, sold buttons and programs, and worked in the snack bar during dances and basketball games. The members of General proudly wore their Cougar T-shirts at all activities during the year. Jill Bothne, General's enthusiastic leader, helped make Kennedy the most spirited school in Sacramento.

Spirit Is The General Idea

Cougar General, during the spring semester, worked hard preparing for basketball games by decorating the gym and working in the snack bar. With the closing of basketball season, the club turned its efforts towards the swim team. At swim meets, they aided the judges and worked as scorers and timers. Many hours were spent toward the success of the Quad dance. Although Cougar General is only open to Sophomores, it remains one of the more popular organizations on our campus. To wind everything up, the club spent a day at Mariotts. Gina and her group has had a very busy year.

The Elections Committee was an organization that was responsible for the elections on campus. This group was responsible for many duties such as watching the polls, making sure the voting ran smoothly, and getting the assemblies ready before elections. Then, the job of counting and tabulating the votes had to be done. This required many hours of work. The committee enforced certain regulations to keep the elections fair. They were kept busy before, during, and after school with the elections. Thanks to our Elections Committee, all of our elections ran efficiently and smoothly.

Kennedy dances and many of the traditional functions were put on with the help of the Social Committee under the direction of Ron Ishimoto. Their job was to get out the publicity, have the entertainment which appealed to the majority of the student body, and help raise money to assist the student body funds. Working with the audio visual crew, the group set up for dances with the proper staging and lighting. Although dance attendance wasn't exceptional due to the fact that the dancing craze had declined, our school dances were fun and gratifying thanks to the dedication and hard work of the Social Committee.

Prideship . . . Proud As A Peacock

The Prideship Committee continued its tradition of encouraging students to take pride in themselves and their campus. These students, by example and by effort, are instrumental in the clean and neat appearance of our school.

This year the committee's major project was the dedication of the Freedom Shrine to the memory of our late Vice Principal Marion E. Benedetti; which took place on the 15th of January.

Cougars Roar Out

The Cougar Voice was a group that dealt with not only taking polls but listening to the current issues on a wide variety of subjects. Polls included items ranging from the Quad Dance to incoming Freshmen. The members then presented their findings to other students and to the school faculty. Cougar Voice was exactly what the name implied—the voice of the students.

Kris Pearson served as chairperson for the fall semester, whereas Roberta Sinkey was in charge of the spring program. The individuals of Cougar Voice all deserve recognition for their hard work and success in finding the opinions of the student body.

The Public Relations committee was very active this year helping the community in many areas. Part of their responsibilities as student government representatives included representing J.F.K. in the community by taking on various volunteer jobs. Each committee member was responsible for five to ten hours of volunteer work.

One of the many jobs they took on was working at the library. Secondly, they worked as aids to Illa Collins by passing out flyers announcing the town hall meetings and then setting up for the meeting. Another activity was to help serve at a crab feed which the Optimist club put on. The group also promoted the September 23 elections by washing car windows in parking lots and putting flyers on the car window shields saying, "See your way clear-Vote September 23." This fine group of individuals made the community proud of Kennedy High School.

Relations Between The Schools

The Student Advisory Council is set up to increase communication between the different high schools and the administration therein. Each S.A.C. is composed of up to four representatives from each of the high schools in the area. The committee met on a regular basis once a month. The meetings rotated from school to school. Some of the big topics of discussion this year were the change of school boundaries, student activity advisors and school attendance. Our representatives contributed greatly to the council by voicing their opinions and helped as needed.

Creative Ad Is Quick On The Draw

A group of artistically talented students make up a department known to us as "Creative Ad." They shoulder many responsibilities throughout the entire school year. Under the sponsorship of Mr. Smith, the club designed and produced signs to be displayed in the quad and at football games. These signs publicized Kennedy's numerous activities and events. Off campus, they also accepted jobs painting store windows for the holidays, as well as doing artwork for various off campus organizations. This year, Creative Ad enjoyed a Halloween party and a singing telegram which was delivered in honor of Mr. Smith's birthday. This semester proved to be very productive and added much color to Kennedy's campus. Thanks to this dedicated group we were kept informed of all upcoming events.

The dissection of a microphone

The John F. Kennedy Audio Visual crew, headed by John Yego, was very active on campus. They spent much of their day working on equipment and setting up public address systems for rallies throughout the year. This dedicated crew was seen on Friday nights setting up the lighting for dances. The biggest event for the crew was the Spring Musical in which they spent many hours in preparation for the long-awaited event. The A.V. team helped keep J.F.K.'s student activities going strong.

The American Field Service brings people from different backgrounds together for an adventure in understanding. This past year at Kennedy we had an exchange student, Christa Drawetz from Austria. We also sent three Kennedy students who visited various countries. Going to New Zealand was Sue Bachelor, Shelley Kassis went to Chile, and Bill Schatz spent the summer in Bolivia.

The club, headed by Betsy Reynolds, was very active. Starting out the year with many get togethers, Betsy increased the club size up to approximately fifty members. They had many fundraisers, such as Halloween Grams and their annual Bike Outing which proved to be a real success by bringing in \$1400 dollars. The money that the club raised was to help send students to other countries and to help bring other students to Kennedy. The club also used a percentage of the money earned to help finance the mini-exchange they had in the Spring semester. The group also enjoyed ice skating and going out Halloween night for "Trick or Sponsor" to get pledges for their bike outing; afterwards, they celebrated by having a spaghetti dinner.

Although they had lots of fun, the club members learned about other countries by seeing various slide presentations from Chile, Bolivia, Austria and New Zealand. One of A.F.S.'s slogans says it all — "Walk together, talk together all ye people of the world."

Bachelor's Degree From New Zealand

Hello! I have recently returned from a year long stay in New Zealand as an American Field Scholar. My stay there not only gave me the opportunity to see the United States from another country's viewpoint but I also was able to experience the important relationship between land and culture. For a farmer this may be commonplace, but having lived in the city all my life, I never realized how much the land can influence the economy and people's attitudes and lifestyles.

It has been said that one never really gets to know one's own country until one goes abroad. This is certainly true for me. When I was transplanted to New Zealand, I was suddenly surrounded by people who kept asking me questions about the United States. It made me think about things I had always taken for granted such as: my school, my lifestyle, and especially my national pride.

National pride is important to such a small country as New Zealand. It is not only a pride in the people and their achievements but it is also in the land. The people of New Zealand enjoy their agricultural based economy and the sixty million sheep, the country atmosphere, and the lack of population. Because of their love for the land, they appreciate the chance to share their country with strangers.

My year in New Zealand was fantastic and I am glad I had the chance to learn about another country and my own first hand.

Shelley Brings Warmth To Chile

I spent this past summer in a little town in the Andes Mountains in Chile. It was the best experience of my life. The Chilean people were so open and caring that they made me feel at home from the very beginning. I found that I was able to adapt to a new household and love a new family as my own.

It was winter there because the seasons are reversed to here. The weather was very similar to Sacramento in the winter, though. I lived in a town called Los Andes, an hour away from the capital Santiago and an hour away from the mountains and ocean. My family loved downhill skiing, so I was lucky enough to go skiing practically every weekend. We went to a ski resort called Portillo which is an internationally famous resort. Many olympians practice there during their summer months.

I attended school five days a week except for two weeks during winter vacation. The school I attended was a Catholic private school and consisted of girls from all ages. This was a good experience because I was able to see a different way of learning and at the same time make new friends.

The most important part of my experience was the relationships I made with my family and with my new found friends. I would like to thank everyone that made my experience possible. I hope that in the future more people will be able to participate in AFS and live through an experience as wonderful as I did.

Billy Via Bolivia

In May of 1979, after many months of agonized waiting and many interviews, I finally received a call from my A.F.S. advisor. She told me, "Billy, you're being sent to Cochabamba, Bolivia."

My first thought was, "Bolivia! Where's Bolivia? Am I being sent to a jungle?"

I looked on a map and found Bolivia in South America. Cochabamba turned out to be one of the major cities in the country. It was also where I spent one of the most fantastic summers of my life.

In Cochabamba I had a great host family. There were five people in the family. I had two sisters and one brother.

One of the most important things I learned in Bolivia is that people all over the world are the same, they just live with different cultures.

The thing I want to stress is that this was not a vacation, it was a learning experience. I was not a tourist. I lived with a Bolivian family and experienced all the difficult and all the enjoyable times.

I hope other students at J.F.K. will have the same opportunity I had. Thank you very much A.F.S.

Christa's Favorite Things

In August 1979, my greatest dream came true! I arrived in the United States to spend the following year here on the AFS program.

Since then I have had the greatest experience of my life. It has been a year of ups and downs, but primarily it has been a year of getting to know people and making new friends. The year has also been a time of learning and growing. I have learned a lot about myself and my culture which I would have never learned if I had stayed in my little village in Austria. I realized that people all over the world are basically the same and that it is very important to get out and learn different cultures.

I want to thank all of the people from the AFS organization, from J.F. Kennedy Senior High School and especially my two host families who treated me so nicely and accepted me as one of their own. They will all stay in my mind as the people who made these past months the most wonderful I have ever had.

From Sweden With Love

I'm a 10

Carin From and her host family, the Curry's.

Hi! It is hard for me to realize that most of my time here is gone already. It seems like it was yesterday when I stepped out of the plane. I was very happy when I heard I was going to Sacramento, and I am happy that my family happened to live in Kennedy's area.

My year here at Kennedy has been great and it is going to be a memory that I will always carry with me. This experience gave me so much that it is hard to describe.

I want to thank all my friends. You have all been wonderful and I learned how much friendship is worth. I also want to thank my American family, the Curry's. They have been great to me and Y.F.U. could not have given me a better family. I will always remember them in my heart in the same way I will remember my friends at Kennedy. You have all been wonderful and you have made my year so beautiful and fun.

If you ever think about traveling around the world please come visit me in Sweden!

Taru-ly American

When I was filling out my application last year I could not even imagine I would be here in California today. I was lucky, though, and here I am. I am living in a place I only used to dream of before. I have been enjoying your movies, music, Mexican, Italian, Chinese, and last but not least, American food, and all the other new things very much.

This year has really been a great experience for me. Coming from a very small town in Finland to Sacramento was a very big step but adjusting was never really hard, thanks to my host family and all of you friendly Americans. You made me feel right at home from the beginning.

I have had a great time here at Kennedy and I want to thank especially Mr. Clemons and the cabinet people. Also, of course, the Beskeens for making this year so special to me. I hope many other young people can have the same experience I did. I really enjoyed it!

This Land Is Your Land

Since I have arrived in California I have enjoyed many different experiences. I have learned much about America. My visit has given me some new insights about myself and other people. My travels in the United States have taken me to Florida, Oregon, and all over California.

My year at Kennedy High School has been wonderful. I will always look back fondly on my year at Kennedy and all the friends I have made. I would like to thank every one for making my stay so enjoyable.

Thomas and Fausto with their host family, the Lewis'

As soon as school started here at Kennedy this year we knew this was going to be an interesting year. By now it is not only interesting and exciting, but it has become a great experience and a wonderful time. All the folks we got to know made us feel like we have always been here at JFK. Our school systems are very different; however, we like the way you do things here. We appreciated and enjoyed the activities and entertainment that Kennedy High offered to us.

We highly recommend this school, and hope that if you should ever become an exchange student, you will be able to attend a school as good as John F. Kennedy High School.

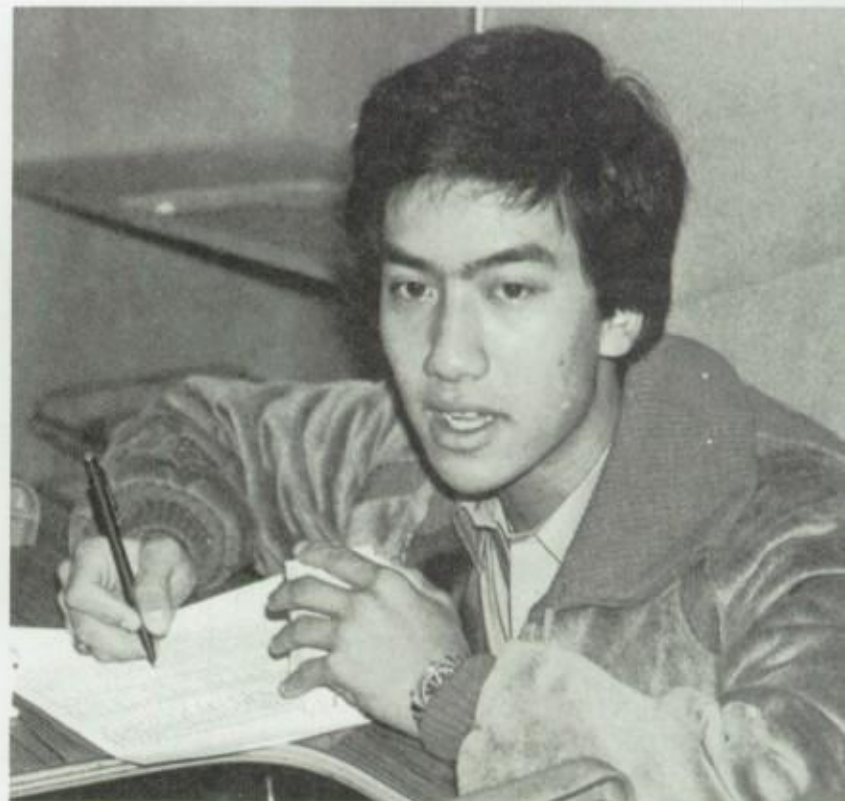

Our special thanks are going to our family, the Lewis'. They gave us a place in their family like their own sons. If you were to ask us about the most outstanding teacher we have ever met, we could only answer, "It is Mr. Byron Clemons." We are proud to have had time to get to know him. Thanks for everything. We will not forget you.

ACC Is The Orient Express

One of the largest clubs on campus is the Asian Culture Club. The club was sponsored by John Wisely and with nearly one hundred members, the club had a very active year. The club held a skating party in December, other activities included a bowl-a-thon, an A.C.C. reunion picnic, and an out-of-town trip as well as the annual Asian Culture Week, which brought their culture to the Kennedy campus.

BSU: Attitude + Aptitude = Altitude

Black Student Union is one of the fastest growing clubs at Kennedy, with membership over 100. This year the club made great strides under the leadership of Linda Brown. The club's activities were focused around raising enough money for the club to attend the state BSU convention in Riverside, California. The club started off with a very successful Homecoming. It was followed by numerous bake sales, membership drives, T-Shirt sales and car washes. They also had a skating party, and a trip to Soda Springs. The club also became active with the NAACP youth group, however the highlight of the entire year, was the Black History week activities in February. The club worked hard to increase the awareness of it's members and community providing a positive atmosphere for personal and educational growth.

Everybody Loves A French Lover

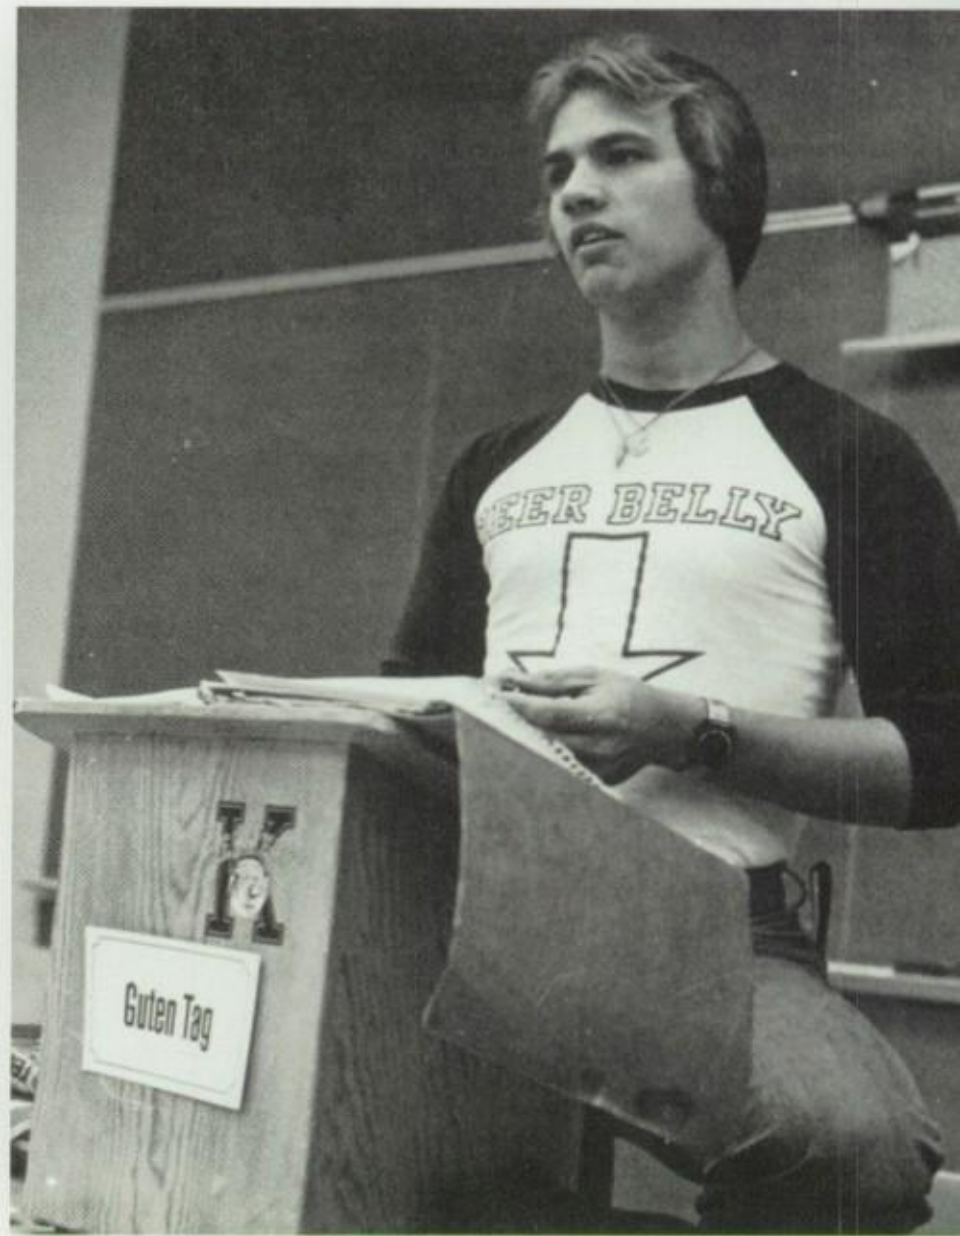

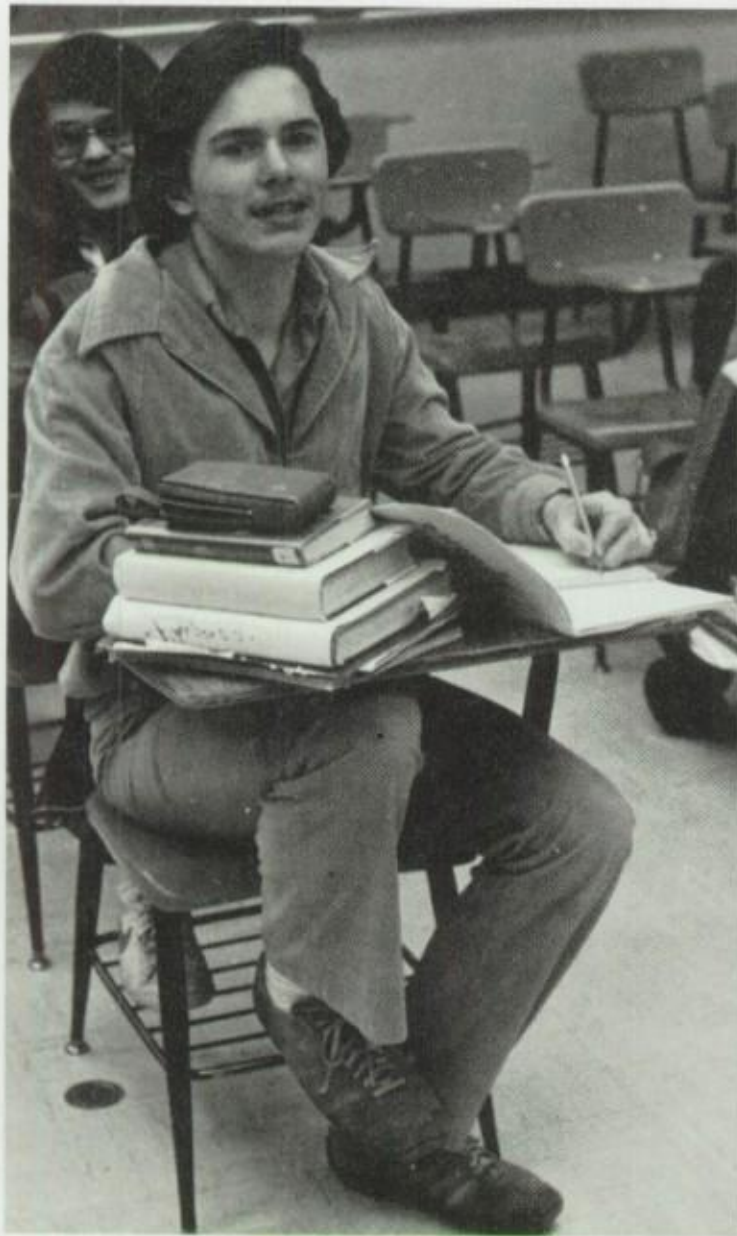

The French Club is a small club whose major aim is to have fun while learning about the culture of France. What The Hecht Are They Talking About

The German club had a lot of fun this year. Their activities included going ice skating, having a Christmas party and going to Monterey to the language institute. But in order to raise money for these outings, they had to put in many fundraisers, such as: selling gummi bears, chocolate and advent calendars. All these factors contributed to a year full of fun and hard work.

After completing the ever secret rites of initiation, first year slaves are made Romans for life. As Romans, Latin Club members held bake sales and sold candy canes to support their activities. Some of their money went to an orphanage in Italy while the rest went toward their pizza dinner and picnic. This year there was only one class of Latin but that doesn't mean that this is a dying language, in fact, it is more alive in mind and spirit than it has ever been. This year the club has learned that this is one of the oldest and greatest languages in the world. They worked very hard but they had lots of fun also. To sum it all up, Kennedy has much more variety and spirit with the Latin Club being here at Kennedy High.

"Si" The Spanish Club

This year the Spanish Club came back into existence after taking a leave of absence for a year. The club contained about twenty members who met once every week. Mrs. Pisano was the sponsor and the president was sophomore, Carlen Torres.

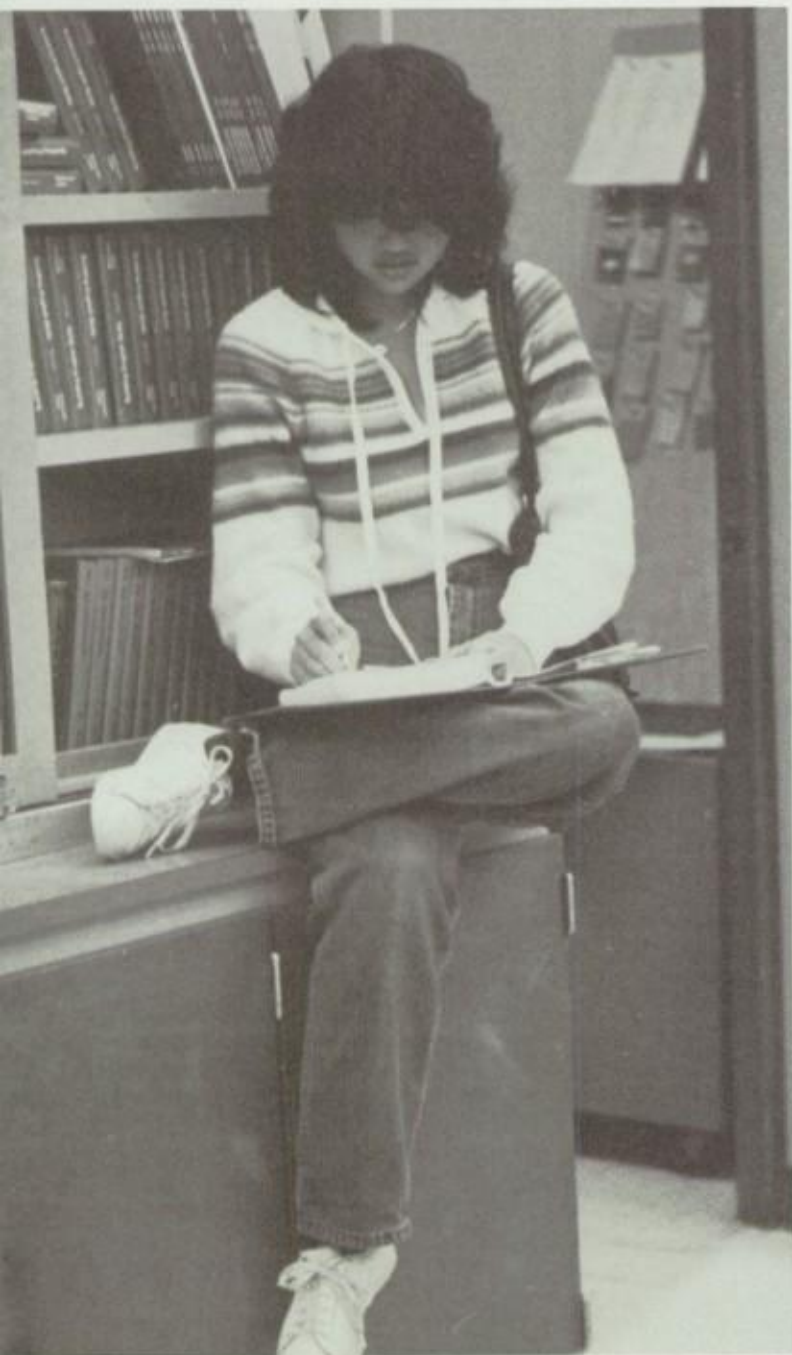

The club's activities included two trips during the year. To pay for the trips, candy and bake sales were held. The club spent one weekend in Monterey and visited the Defense Language Institute. A deluxe dinner at a Mexican Restaurant in Sacramento was enjoyed by the club at the close of the year. Thanks to Mrs. Pisano for getting the club going again!

Art Club Creates Imaginative Images

This year the Art Club, sponsored by Miss Lee, hoped to raise enough money for an art scholarship. They were specializing in the photo-sensitive silkscreening of T-shirts and posters for various clubs and organizations. A few field trips were also planned, as well as several art displays. New art projects and medias were introduced and used by the art club members. Guest speakers throughout the year provided the art club members with up-to-date news and ideas of the art world throughout the year.

C.S.F. Is A-O.K.

The California Scholarship Federation is a statewide honors society consisting of the most academically talented students in the approximately one thousand high schools in California. Students who are members of this organization, including those in our chapter here at J.F. Kennedy, must first qualify by achieving a high degree of excellence in specified classes. Those who qualify for four or more semesters are designated as Sealbearers and become lifetime members of C.S.F. The C.S.F. provides a forum for the exchange of ideas and the showing of talents and abilities. Becoming a member and a Sealbearer of the C.S.F. is both an outstanding achievement and a distinctive honor.

This past year there was a unique new club for musicians here at Kennedy. With about fifteen enthusiastic string, wind, and piano players the Chamber Music Club enjoyed a successful year. The club provided numerous opportunities for its members to perform both solos and in small ensembles. The members performed four recitals, played at retirement homes and conventions, and attended a San Francisco Symphony concert.

The members of the Chamber Music club would like to thank Mr. "C" for all his assistance in providing music, coaching, and arranging the many opportunities to perform.

A great future lies on the horizon for this club. Welcome to Kennedy, CMC!

The Chess Club, a group of individuals highly interested in thought provoking games, met weekly to polish their chess expertise. The club lost their top players due to graduation in 1979 but they still performed well. They learned, like kings and queens, to use their mind and ability against other schools. This year's activities, consisted of playing postal chess against an out-of-town school. The spring semester brought the club a successful chess marathon in which they raised money to support their activities. The subjects of the team had a lot of fun.

Creative Writers: Authors Of Tomorrow

The Creative Writers' Club, sponsored by Shirley Cohen and Margaret Wensrich, was composed of students interested in literary activities. Among their activities were critiquing short stories and poetry, publishing the school literary magazine, *Just A Few Words*, and submitting works for consideration in national competitions. The Co-Editors were Debbie Cohen, Ken Kubo, and Erin Kinikin. They had a write-on year.

Dancers Keep On Their Toes

This years Dance Club was led by president Sarae Miller and sponsor Mrs. Thomas.

The dancers were very active with weekly dance workshops. The workshops were taught by a talented instructor.

The dancers learned new routines and many different aspects of dancing. The Dance Club had one bake sale which was to raise money to be used towards the fine arts festival in May. The festival was sponsored by the Dance Club and the participants made up many dances and routines for the occasion.

Drama Acts It Up

As an affiliation of the International Thespian Society, the drama club's objective was to keep classic drama alive in high school and to teach students theatrical skills. Early in November, the club produced the Fall Play, followed by a trip to New York with an affiliated group. This trip educated the troupe about the action that goes on behind the scenes. This year's club was one of the most active yet, and they hope to make it even better next year.

FBLA Is Accounted For

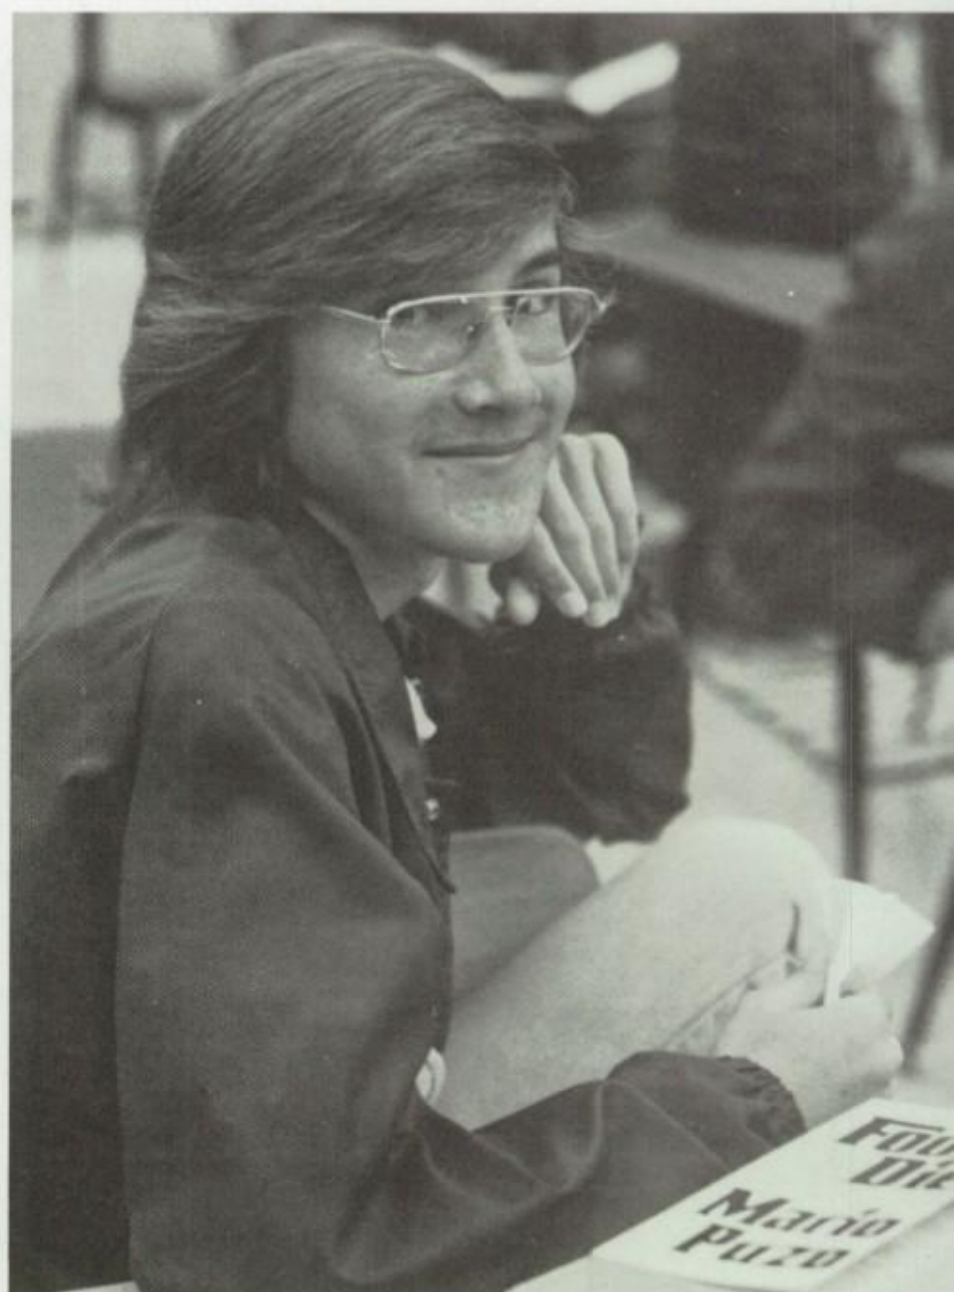

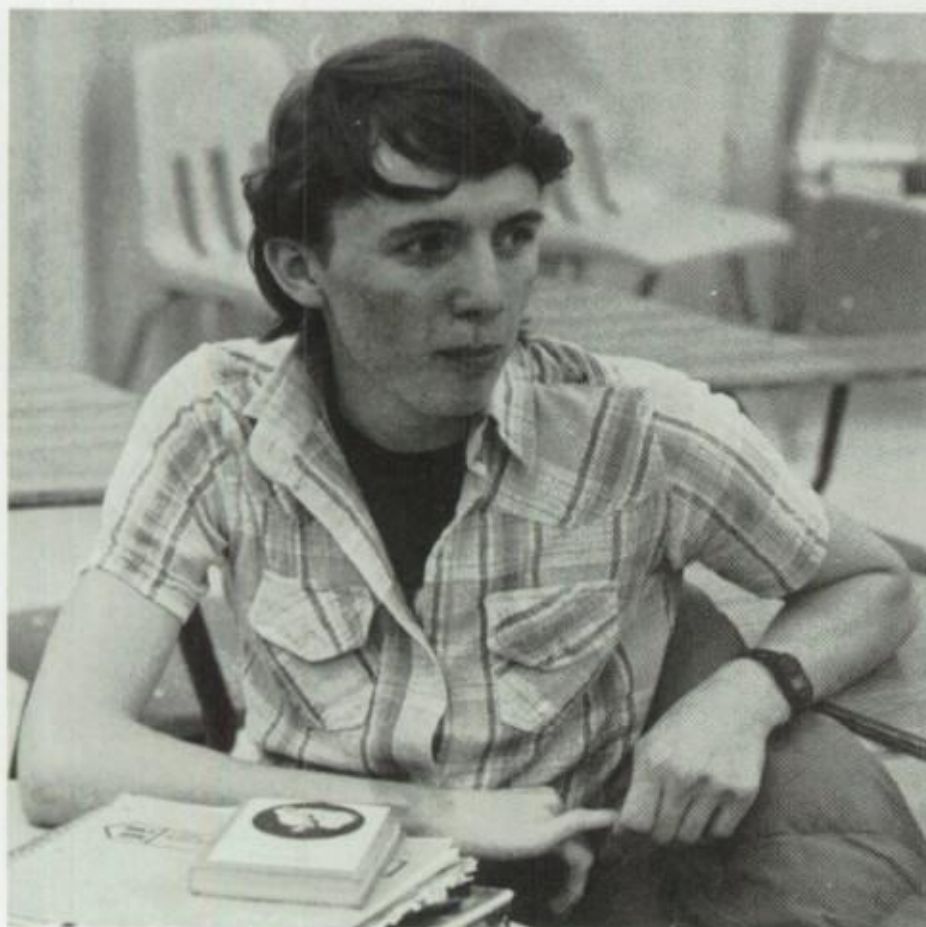

FBLA (Future Business Leaders of America), a part of the Business Education Department, provided additional opportunities for students in business and office education. The Chapter members developed vocational and career abilities and promoted civic and personal responsibilities. The Chapter members were hosts for the Northern Section Conference at Kennedy and also went to the California State Conference in Anaheim. Members of the ninth grade at their feeder Jr. High were recruited and became a part of FBLA's chapter and its activities. It was a very good year for the group.

Literary Society Is A "Novel"ty

The Literary Society is a newly formed group of students who are interested in discussing literature. By mutual consent, a book was chosen and read within a specific period of time. The group met every Friday morning to discuss their reading. The Literary Society saw a variety of plays such as the Ashland Shakespeare Festival, Romeo and Juliet at the ACT, and heard talks by visiting authors. The president of the society was Marc de La Vergne, and the corresponding secretary was Sandy Shahbazian. The Literary Society was sponsored by Mrs. Bican.

Math Puts It All Together

Two fingers plus one is equal to amputated hands.

With infinite alacrity and invariable excellence, the Mathematics Club has continued with maximum success in all areas. Although individual members are differtable in talent and quotient of achievement, all are integrated in the functional domain of the club. Their range of activities include the Alantic Pacific, California, and Sacramento area Mathematics Leagues. The simplified products of their success are continental prominence and veneration, a Northern California section championship, and numerous awards and the current number one ranking in the area. To sum it all up, the Math Club epitomizes the degree of academic excellence at John F. Kennedy.

Casey Corners The Market

Hey, there's something moving in there!

Many growling stomachs have been soothed through the years that Casey's Corner has faithfully served us their tempting treats. This year, of course, was no different. Managers Joe Fong and Lynette Fong led the army of salespersons through a very profitable season. The money earned at lunch and at other school functions, through our student body's appetites was given to the Student Association Fund, which, in turn, resulted in numerous campus activities.

Clarion Spreads The Word

Under the leadership of Editor Paul Vega, the Kennedy Clarion was successful edition after edition.

A positive attitude was adopted by the youthful staff, which made a slow start gradually progress into full swing.

Many hours were spent gathering and writing the most "up to the minute" news for the Student Body. High standards were set and maintained by each and every member of the staff.

This was a year the Clarion staff will not forget. With a new advisor, Miss Carol Lee, and many new faces on the staff, they made tremendous progress and took pride in every issue of the Kennedy Clarion.

You Can't Ring Our Bell

This year, Kennedy's football team stormed through a very successful season. Head coach, Norm Readdy, led the team with a 5-1 league record, to finish second to Cordova in the Metro-League. This year's squad boasted a particularly strong offensive line. Eric Bell, this year's quarterback, played brilliantly, clearing 500 yards this season and passing 277 yards. Other outstanding players on the team were Carlton Matthews, rushing over 1000 yards, and an outstanding middle linebacker, Lino Cedros. Readdy, assisted by Coaches Garcia, Moak and Scorza, was very successful in displaying the fantastic athletic talents of each member of our indestructible varsity squad.

JV Football Gets

This year the JV football team was led by a new coaching staff which consisted of head coach John Marshall and assistant coaches Lester Robinson and Tom Martin. Congratulations on a job well done! The football team started off the season by shutting out Valley High 12 to 0. One of the star players on the team was number 22, Albert Johnson. You could always count on him to gain yardage when it was most needed. Although the team only won three games this season, they supplied their fans with many exciting moments. Among these was their last game against McClatchy in which they came back in the last quarter for a 22 to 22 tie. What a great way to wrap up the season!

Volleyball Gets Se

This year, the Women's Varsity Volleyball team had a trying year, though very enthusiastic, under the coaching of "Boots" Studley.

The team finished the year with a record of 5 wins and 17 losses. The captain of the team was Karen Gilbert and her sister, Kathy Gilbert, was voted most valuable player. Sandy Shahbazian was most improved and Linda Brown was most inspirational.

The Womens Junior Varsity Volleyball team, under the coaching of Terri Mascaro, came out with a record of 7 wins and 5 losses. The captain of the team and the most valuable player was Sue Willard.

The John F. Kennedy Women's Tennis team had an active two-month season which consisted of fourteen matches. The team was made up of seventeen avid tennis players which accomplished an outstanding record with eleven wins and only three losses. The league included eight teams, each of which was played twice. The outcome for Kennedy was a close second to the winner, St. Francis. Michele Giles, however, won first place singles in the Metro post season playoff. Michelle Margetts and Patti Sue were runners up in team competition. These three girls represented us at the Sectional Meet at Stanislaus College on November 10. Row I: Quoc Nhan, Steve Chan, Sherryl Kubel, Matt Allbee, John Heong, Ronnie Herrera, Richard Eigenheer. Row II: John Chu, Mark Cha, Mike Masui, Peter Hopkins, Scott Waller, Jeff Hunter, Scott Jackson, Coach Gerald DeLoach.

Leads The Pack

This year's Cross Country team, headed by coach Gerald DeLoach, was mainly concerned with building a good team for next year. The team consisted solely of sophomores and juniors which means most of them will be back next year.

In league results, the juniors took fourth, the sophomores took third, and Sherryl Kubel, the only girl on the team, took fourth in individual competition.

This year's outstanding runners were Richard Eigenheer and Peter Hopkins. Eigenheer, along with the rest of the team, ran in the Pepsi 20-mile run. Richard placed fifth in his division and was 92nd out of 1500 runners in the overall standings.

Varsity Spells Success B-A-L-A-N-C-E

The JFK Varsity Basketball Team experienced another year of success. Under new coach, Jim "Spider" Thomas, this year's team compiled a season record of 21-8, with a 10-2 mark in Metro play, earning them a berth in the Tournament of Champions for the second consecutive year. They also won the Nevada Union Tournament, placed second in the Anderson Tournament and took consolation honors in the Cordova Christmas Tourney. Their outstanding play earned them as high as #1 in the Northern California Coaches Poll. The Cougars outscored their opponents with a thunderous fast break - leading them to the area's third leading offense.

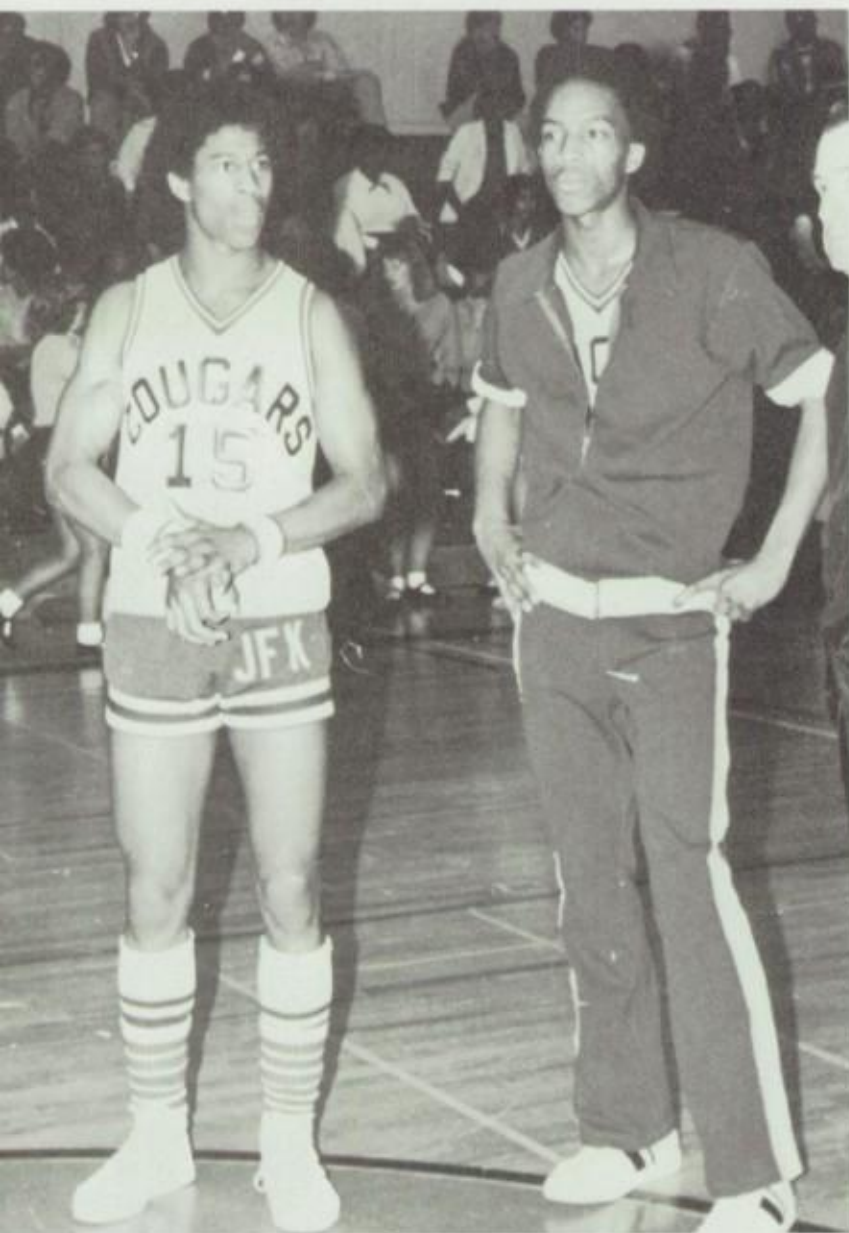

Senior Brian Broadway helped power this year's Big Green Machine to an explosive average of 75.9 points per game. With his tremendous shooting ability, Brian averaged 19.4 points per game and had a season high of 32 points against Davis. Complementing Broadway's bombs were the driving lay-ups of Eric Bell. With his exceptional leaping ability, Eric penetrated opposing defenses and ignited the fast break, leading him to be the team's third leading rebounder. With a 15.6 average per game, Eric also was the team's third leading scorer. Edging just ahead of Bell in the rebound department was the "1979-80 Most Improved Player of the Year," Chris Karlovich. Chris played in the shadows of all-stars Ron Hayes and Royal Edwards as a junior and saw little playing time. Inexperience didn't hinder Chris as he averaged 7.2 rebounds per game and supplied 7.0 points per game to the powerful Cougar offense. Quarterbacking the Cougars this year was sophomore Ernest Lee. Lee, considered by many to possess everything it takes to be the total player, led the team in assists with 149, and had a game high of 12 points. Ernest also boosted the offense with an average of 13 points a game. One of Lee's favorite receivers under the hoop was center Michael Westbrook. Westbrook was the defensive leader this year as he pulled down 318 rebounds, averaging 11.4 rebounds per game. Michael slapped away 60 shots and averaged a steady 15 points per game.

The Cougars this year were popularly noted for their depth and balance as they placed four starters on the All-Metro Team: Brian Broadway, Eric Bell, Ernest Lee and Michael Westbrook. Bell and Broadway shared this year's MVP Awards.

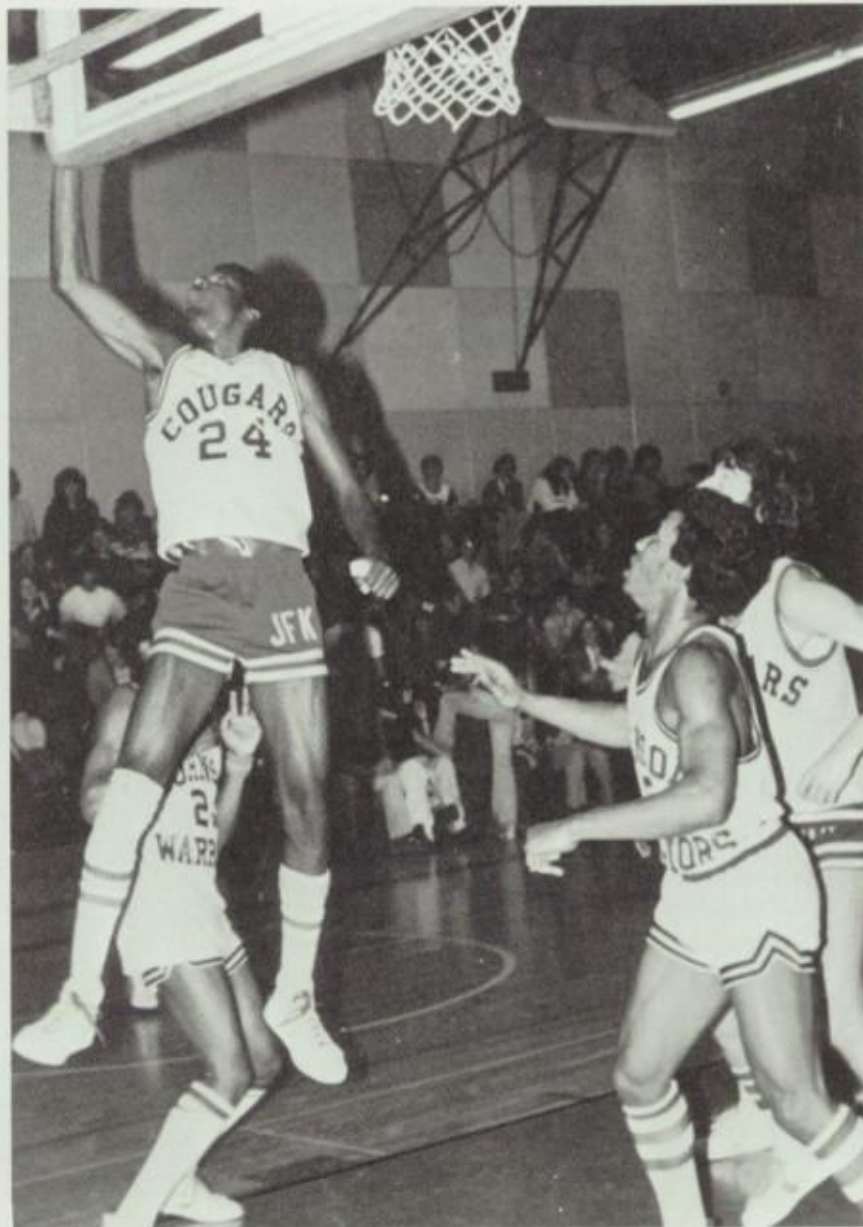

Row I: Brian Broadway, Karlwin Matthews, Chris Karlovich, Michael Westbrook, Andrew Young, Curtis Randall. Row II: Coach Jim Thomas, Paul Weber, Anthony Dixon, Eric Bell, Ernest Lee, Greg Edge, Robert Honda.

JV Holds The Key

The 1979-80 JV Basketball team had a successful season this year. Under the coaching of Tom Boyer, this year's team compiled a record of 14 wins and 8 losses. In league play, they finished in second place with a record of 8 wins and 4 losses, while also taking the Consolation Championship in the Anderson Tournament. Throughout the season the JV Cougars averaged a 7 point margin over their opponents. The season was marked by narrow defeats; Johnson by 1, San Juan by 5, and Burbank by 5, and wide margin victories; Sac by 41, Davis by 31, Cordova by 16, and McClatchy by 22.

The team's Most Valuable Player, leading rebounder, and leading scorer was Karlwin Matthews. At 6'4" Matthews dominated the boards averaging 13.5 rebounds per game with a 20.2 point average. Matthews had a season high game of 40 points in the Anderson Tournament. Following Matthews in the scoring department was Daryn Atlee with a 15.2 point average. Daryl Stieff averaged 11.0 points per game while compiling a team high of 56 assists, followed closely by Ken Walker who totaled 54, with a 6.0 point average per game. Bob Balian helped balance out the rebounding efforts with a solid 8.0 rebounds a game and tapping in 6.0 points a game.

Helping in the reserve department were Vic Williams igniting a fast break with Ken Adams and Scott Clifford busting the boards.

J.V. Shoots For The Gold

This year's Women's Basketball season included both Junior Varsity and Varsity teams for the first time. Under the direction of Coach Gonzales and Fukushima, both teams spent many hours training, during the weekend and on holidays. All in all the Varsity team achieved ten wins and nine losses, while the Junior Varsity came through with a seven-two record. It was a fine season for both teams and deserve to be proud.

This year the Varsity wrestlers did a good job, finishing second in the league with a record of 5-1. The Junior Varsity finished with a 5-1 record. The outstanding wrestlers on the team were Chris Rutherford, a senior in the 145 lb. weight division, Rizgar Ghazi, a senior in the 138 lb. weight division, Jeff Hunt, a junior in the 103 lb. weight division, and Troy Mitchell, a senior in the 133 lb. weight division. Rizgar Ghazi also qualified to be one of the two wrestlers to represent Northern California at an all-state meet in Los Angeles. Head Coach Evan Weir, along with Assistant Coach Al Ikemoto, kept the team going with constant training and strict diet.

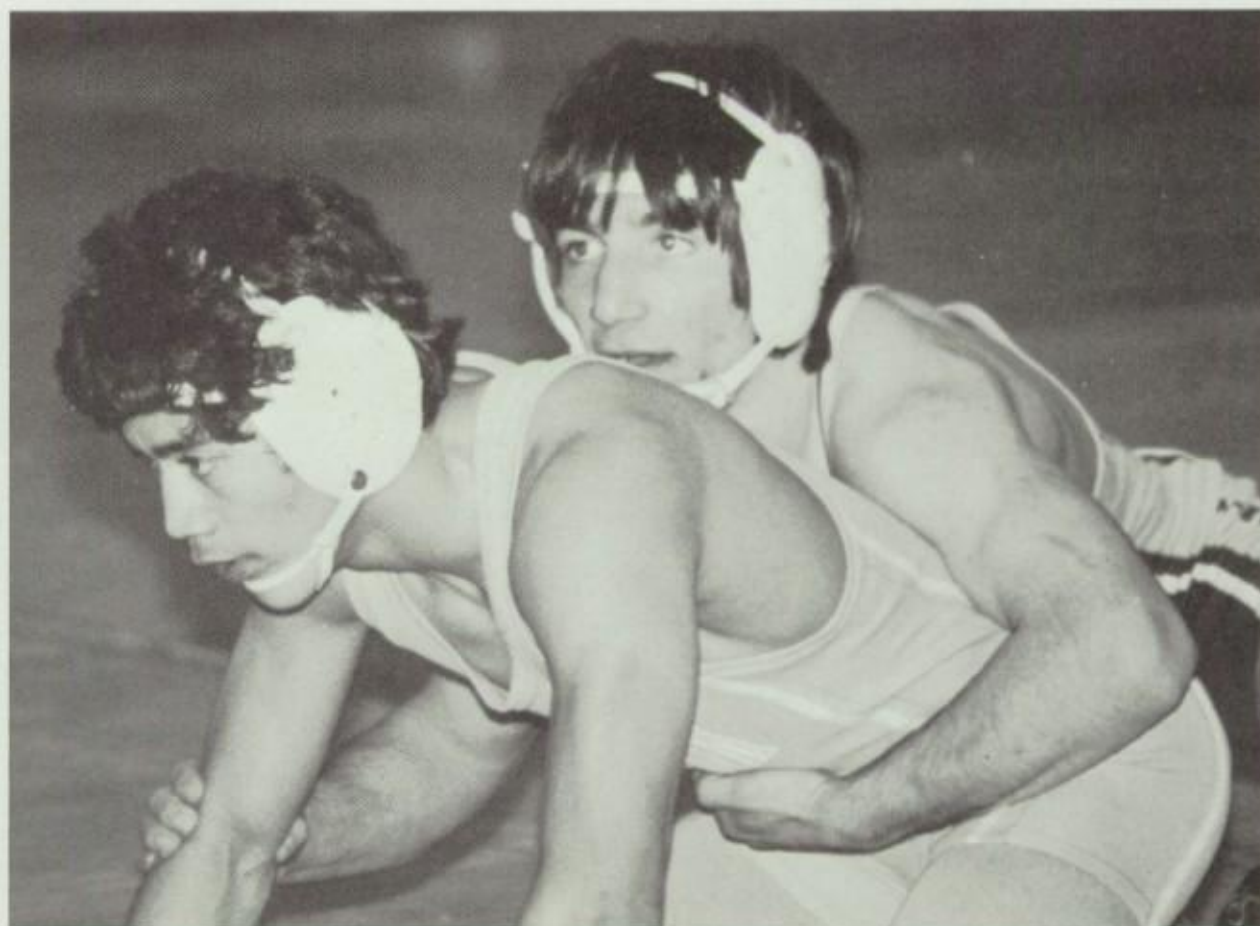

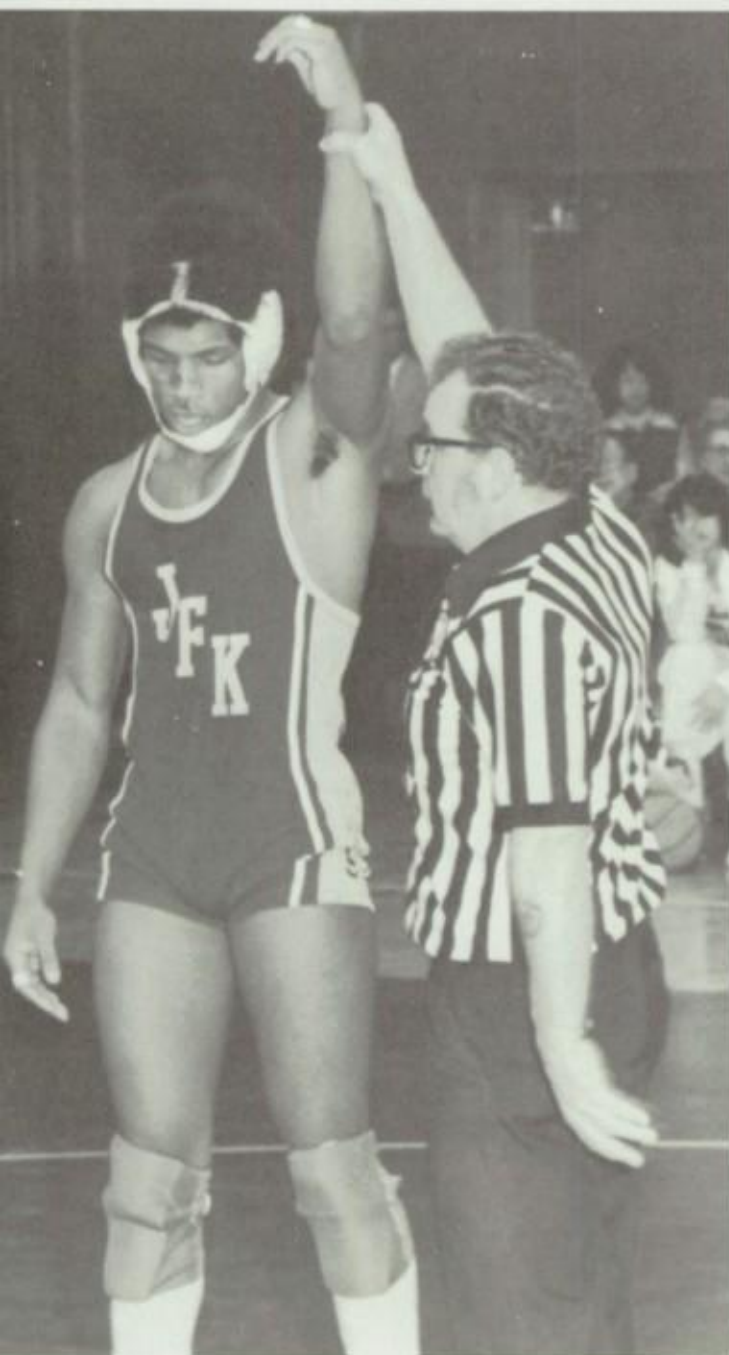

The wrestling team looks very promising for next year also.

Gymnasts Beam

The 1979 John F. Kennedy Gymnastics Team was a group of talented individuals. These individuals developed into a strong team with the help of Coach Marina Lew Choy.

The season began with dual meets. At the end of all the dual meets, a trophy is awarded to the first place winners in each division. We are proud to announce that the John F. Kennedy's Novice Division won First Place.

The Metro League Qualifying Meet was held at Kennedy on November 30, 1979. The gymnastics team received a trophy in each division. Three gymnasts, Sharon Melarkey, Peggy Gibson, and Cara O'Callaghan qualified to participate in the North Sub-Section Qualifying Meet held at Nevada Union High School. One representative from the JFK team, Cara O'Callaghan, qualified to participate in the Sac-Joaquin Section Meet in which only the Varsity Division competes.

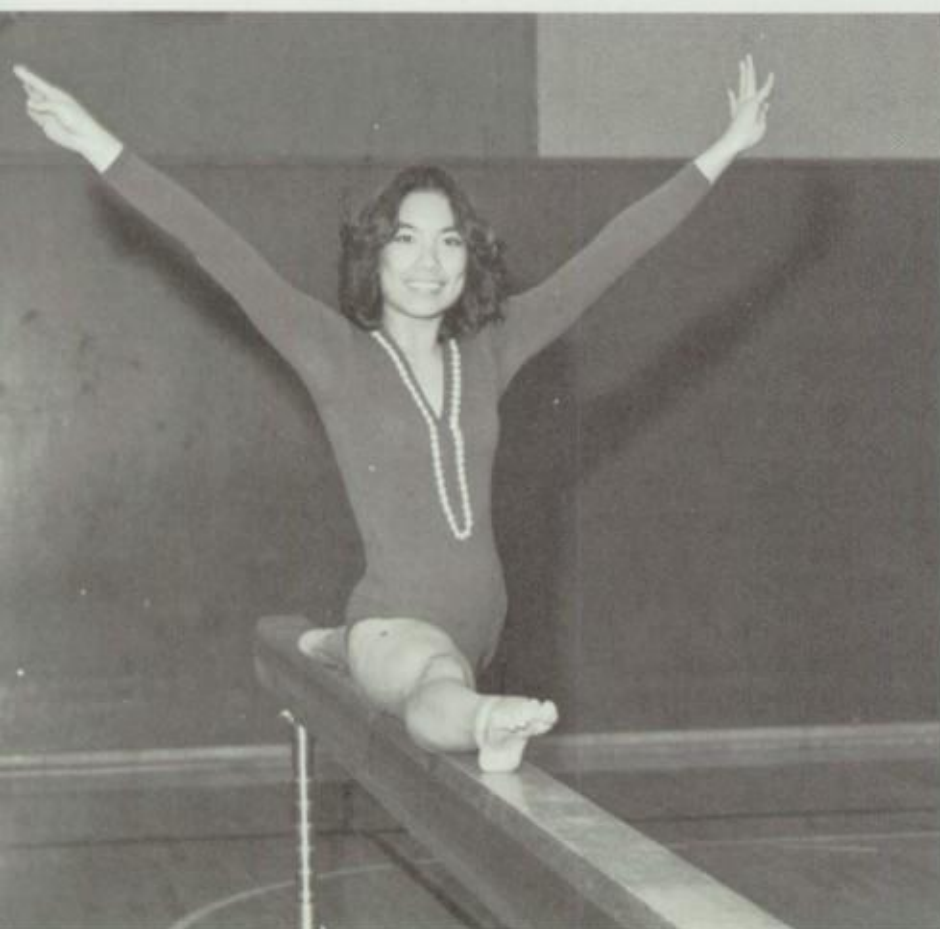

The gymnasts can be proud of a job well done.

Tennis Is Their Racket

This year's men's tennis team set a fast pace for local competition. A combination of skilled coaching and natural talent on the part of the players, as well as many hours of intense practice, was a credit for a tremendous tennis season.

Varsity

This years Junior Varsity and Varsity baseball players put in much time and effort to make their season a big success. The Varsity team, coached by Don Moak, got their feet on the ground; this being their second year with Coach Moak. Coach Jim Trimble also returned to the J.V. squad for the second year. The teams practiced diligently everyday after school from 3:30-5:30. This year was the first season that the J.V. team consisted of all sophomores and the Varsity team had both Juniors and Seniors.

Golf Is A Holey Sport

Kennedy's Golf Team had to work very hard for almost every win this year. "Losing two of our top golfers from last year's team made it difficult to keep our winning tradition alive", stated Coach Hansen. The team was lead by Kevin Waddell, one of the Sacramento area's top prep golfers. Dean Lawrie, John Castiglia, Libby LaBella, and Glenn Hosokawa from last year's squad gave maturity and experience to the team. Newcomers Edward Tang, Cary Kataoka, Jeff Singer and Doug Scott contributed to a successful season.

Cougars Dust Them In '80

Kennedy track team underwent a building program this year and experienced the ups and downs of trying to improve. All of those who competed enjoyed themselves and experienced success. In addition to the league meets the team went to Stanford, Pittsburg, Woodland, Fairfield, Fresno, San Jose, and Davis. The team had people qualify and compete in all the post-season meets up to and including the State Meet in Berkeley. Congratulations to all the Kennedy track team and track assistants for helping the team toward its goal of becoming #1.

Swimmers Don't

The 1980 Womens Swim Team was one of the strongest teams ever. Maggie Schwindt, Mimi O'Sullivan and Jani Taylor are three of the most outstanding swimmers who, as Seniors, are swimming their last season for Kennedy. Some of the other stronger swimmers include Sharon Wilson, and Shari Gould. The team has been the Metro League Champions for the past two years and are striving for the championship again this year.

Among the top divers were Kathy Dilly and Peggy Gibson, both who are Sophomores. The hard work of the swimmers brought the swim team and the diving team excellent seasons.

Just Blow Bubbles

The Mens Swim Team had an extremely strong team, consisting mainly of Sophomores and Juniors. Some of the outstanding swimmers were Chris Einspahr, Billy Keese, Larry Neuman, Eric Chan, Chris Hansen, Brian Sutliff and Geoff Sutliff. They had an excellant season and are looking forward to an even better season next year due to the young team.

The Best On The Block

Block K was an organization which consisted of both men and women who participated in an athletic sport during the school year. The members of this organization displayed much discipline and dedication to show us their great abilities and talent at their respective sport. Thus, each member received a Block K letter.

The problems you face upon entering the adult world are major. Each generation has had unique national and international difficulties to solve which profoundly affected their personal goals and ambitions. I am not sure whether one can judge whether a set of difficulties for one generation were harder to solve than those of the past or future. The issue appears to be that you will face obstacles not necessarily of your own making. Yet, you will be required to meet and solve those troubles if you are to survive as a reasonably satisfied individual.

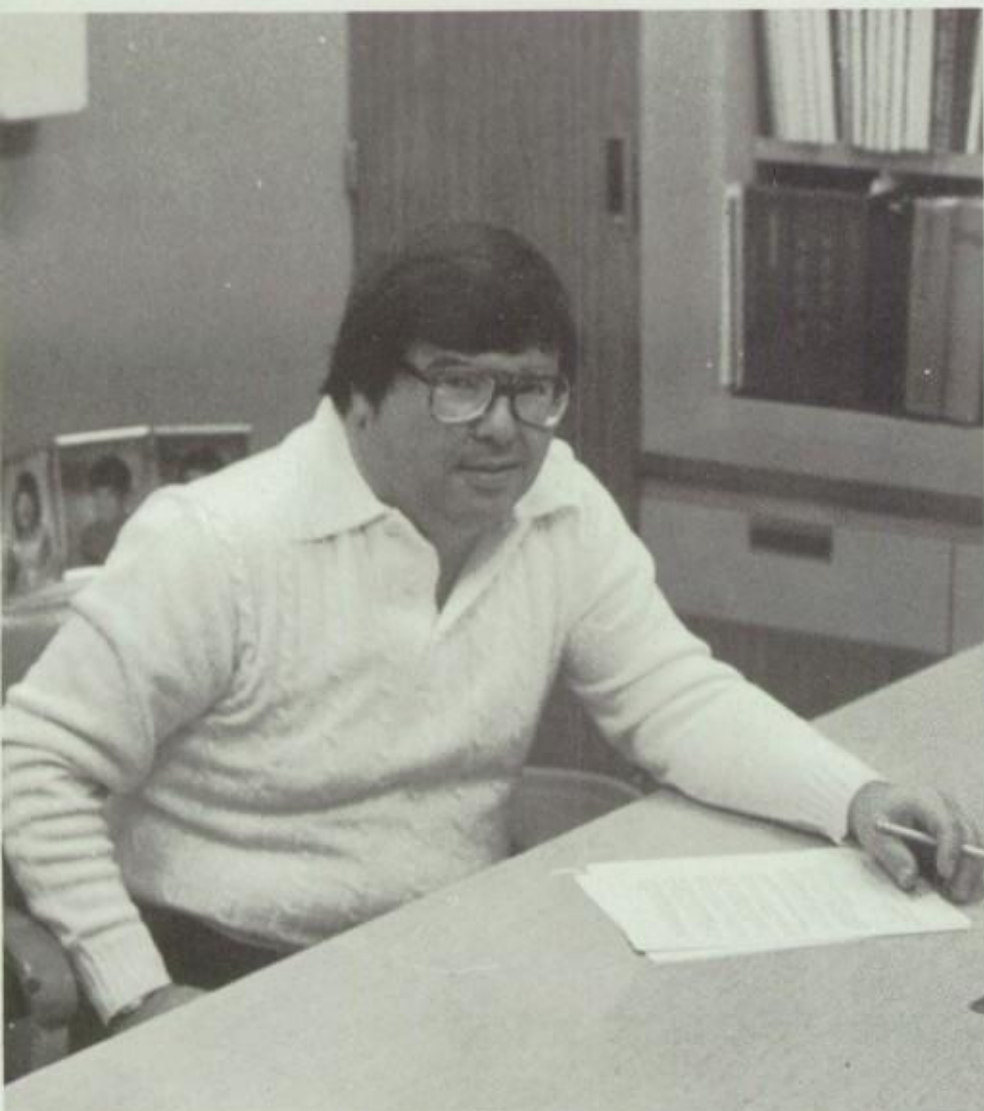

The Class of '80 has so far shown the attributes which indicate that you will be able to identify the locus of your generation's problems and that you have the intelligence and will to solve them. I commend you for the accomplishments you have already achieved in problem solving. There will be successful solutions in the future as long as you maintain the honesty of approach you have displayed during your years at Kennedy High School. You have contributed much to this school's history and tradition. I compliment you and thank you for your unselfish sharing of talent and self.

Vice Principals

To those of you students who will be continuing your education at John F. Kennedy Senior High School this coming year, I ask that you take time to reflect your achievement to date, to re-examine your goals for the future, and, if need be, redouble your efforts during this very critical stage of your life. For those of you going on to college this fall or beginning a career, I encourage you to continue to develop your abilities to the fullest and to strive to achieve your highest expectations. It is my sincere hope that your accomplishments throughout life will serve both you and your fellow man.

Instruction

Here at John F. Kennedy, we have a warmth of fellowship and a sense of communication with each other which is, we feel, better than any where else within our State. For this we are grateful, in part, to the dedication of our faculty and staff. In this atmosphere we feel an obligation to work diligently so that the fruits of our experience can be a leaven in today's world.

The One And Only

Byron Clemons

You entered our lives in a casual way, and saw at a glance what we needed; there were others who passed us or met us each day, but never a one of them heeded. Perhaps you were thinking of other folks more, or chance simply seemed to decree it; We know there were many such chances before, but the others — well, they didn't see it. You said just the thing that we wished you would say, and you made us believe that you meant it; we held up our heads in the old gallant way, and resolved you should never repent it. There are times when encouragement means such a lot, and a word is enough to convey it; there were others who could have, as easy as not — but just the same, they didn't say it. There may have been someone who could have done more to help us along, though we doubt it; what we needed was cheering, and always before they had let us plod on without it. You helped to refashion the dream of our hearts, and made us turn eagerly to it; there were others who might have (we question that part) — but, after all, they didn't do it!

The Decade On File

Ten years in which Americans suffered growing doubt about their leaders, their institutions, even the value of their money - and came to the realization that there were limits to the riches of the planet; in which they were torn against themselves over an undeclared war on the far side of the world; a President was brought down after he used the power of his office to cover up illegal acts; oil-rich Arab nations transformed the power balance of the world; chiefs of state who were sworn enemies shook hands in a strong try for peace in the Mideast; a preacher called his followers to death - and an abundance of other shocking, horrifying, and tender events. These past years have been filled with hate and poverty but there has been much good along the road. After countless years of trouble between Israel and Egypt, Menachem Begin and Anwar Sadat signed the treaty that made peace in the Middle East seem like a possible dream. POW's from Vietnam were returned home to exuberant families. Disneyland celebrated its 25th anniversary and Pope John Paul II made pleas to the world for peace. Tinkering with the very sparks of life, a baby was born into this world as the first test tube baby. We grew up in loving homes with loving friends and parents - making all of our trials and tribulations of growing up worthwhile.

Top World Stories

Henry Kissinger flew to Peking, opening up a dramatic new phase in relations with the People's Republic of China. He paved the way for Richard Nixon's historic trip.

Palestinian terrorists made their way into Israeli team quarters during the '72 Olympic games at Munich, Germany. They managed to kill eleven Israelis before being stopped.

Two giant pandas, gifts of China, arrived at Washington's National Zoo.

SALT II arms limitation - treaty was signed by President Carter and Russia's Chairman Leonid I. Brezhnev.

Iranian militants took over the U. S. Embassy in Tehran, holding American hostages beginning on November 4, 1979.

Exxon and Standard Oil Companies reported up to 118% profit for part of 1979 - approximately \$1.14 billion profit each.

Iran's Ayatullah Khomeini was chosen as Man of the Year in TIME magazine. He was chosen because he changed the news for better or for worse the most during the year of 1979.

Decade's Top Ten

- 1 - Nixon resigns.
- 2 - Energy crisis.
- 3 - Vietnam War ends.
- 4 - Inflation; dollar decline.
- 5 - War, peace in Middle East.
- 6 - Guyana massacre.
- 7 - U. S. - China relations.
- 8 - Three Mile Island.
- 9 - Space Exploration.
- 10 - Shah of Iran Ousted.

Russian ballet dancer, Alexander Godunov, defected to the U.S. during a tour.

Mikhail Baryshnikov, dancer, defected from the U. S. S. R. to the U. S. He was named artistic director of the American Ballet Theater in 1980.

Russian skaters, Oleg Protopopov and his wife, defected to Switzerland.

Year By Year

1970 - Richard Nixon ordered the invasion of Cambodia. Ohio's Kent State University - place of horrifying Vietnamese war riots. 441 other colleges quickly followed suit. Alexander Solzhenitsyn won the Nobel Prize in Literature. U. S. Post Office became an independent agency. Census Bureau counted 207,976,452 Americans.

1971 - Henry Kissinger flew twice to Peking, opening up relations with China. Eighteen-year-olds were given the right to vote.

1972 - Alabama's Governor George Wallace was wounded by a gunman. The Dow Jones average hit a record 1,000. Harry Truman died at age 88. Two pandas, gifts of China, arrived at Washington's National Zoo.

1973 - Formal U. S. involvement in the Vietnamese War was ended by a treaty signed in Paris. John W. Dean III opened up the Watergate problem. Vice-President Spiro Agnew resigned and was succeeded by Gerald Ford.

1974 - A congressional committee voted to impeach Richard Nixon and he became the first President ever to resign. Gerald R. Ford became the next President. Patricia Hearst was kidnapped in California by the Symbionese Liberation Army. Gold sales became legal in the U. S. for the first time since 1933. Hank Aaron broke Babe Ruth's record with a 715th home run.

1975 - Ex-Teamster boss James Hoffa went out to lunch and was never seen again. FBI agents arrested Patricia Hearst and three fellow fugitives of the SLA. A Secret Service man grabbed Lynette "Squeaky" Fromme in Sacramento before she could shoot President Gerald Ford.

1976 - Jimmy Carter became President of the United States. U. S. Viking robots failed to detect life on Mars. Bicentennial cannons across the country boomed all summer long as America celebrated its 200th birthday! 1977 - Anwar Sadat and Menachem Begin met to discuss the hostility between Egypt and Israel that had lasted for 29 years. President Ford pardoned World War II's Tokyo Rose. Looters rampaged, unopposed, through hundreds of New York City shops during a 24-hour blackout. Leonid Brezhnev became head of the Russian state and general secretary of the Communist party.

1978 - Jonestown Massacre. Mrs. Lesley Brown gave birth to the world's first test-tube baby in Oldham, England. California voters cut their property taxes in half by approving Proposition 13.

1979 - Pope John Paul II visited America voicing his disapproval of birth control and divorce. Margaret Thatcher became Great Britain's first woman prime minister. The Panama canal was given back to the Panamanians. Three Mile Island incident.

1980 - Minimum wage went up to \$3.10 an hour. The Winter Olympics were held at Lake Placid, New York. National elections took place.

Freedom Shrine - a group of legal documents that were given the school in 1971 were framed and displayed on the third floor in the history wing. The Prideship Committee was responsible for the fund-raising and dedication in memory of Vice Principal Marion E. Benedetti.

Local

The passage of state initiative, Proposition 13, which reduced property taxes, caused a curtailment of the activity program and of elective classes.

The Bee ended a strike that lasted over 17 months.

Governor Jerry Brown gave us the odd-even gas plan.

Rancho Seco shut down because of nuclear problem checks.

Proposition 9, alias Jaws II and sister of Proposition 13, would cut \$3.5 billion if passed in taxes.

Interstate-5 opened in 1979. The only highway that links Canada and Mexico.

Three Mile Island

Three Mile Island, the nuclear plant in Harrisburg, Pa., has become the symbol of America's most vexing energy problem: can we afford the potentially enormous but largely unknown risks that seem unavoidable in the production of nuclear energy? Can we face the oil-short '80's without the help of the nuclear generators that now provide the U. S. with 13% of all its power? Only time can tell . . .

Young Shooting Stars

Bjorn Borg, of Sweden, began winning big tennis titles in '70 when he was 14 and has won at Wimbledon four times.

Nadia Comaneci, from Romania, doll of the '76 Olympics, scored an unheard of seven perfect 10's, Olga Korbut, at 17, brought gymnastic honor to Russia and dazzled TV viewers all over the world by winning two individual gold medals at the '72 Olympics.

Tracy Austin, yogurt lover from California, made it big in tennis by beating the greats. At 16 she became the youngest U.S. Open champ by beating Evert Lloyd.

John McEnroe, alias The Kid, while only 20, dispatched his neighbor famed Vitas Gerulaitis at the '79 U.S. Open. Nobody knows how far The Kid will go.

Steve Cauthen, jockey, winner of the Triple Crown, was the greatest young jockey ever. In '77 his mounts earned a record \$6 million.

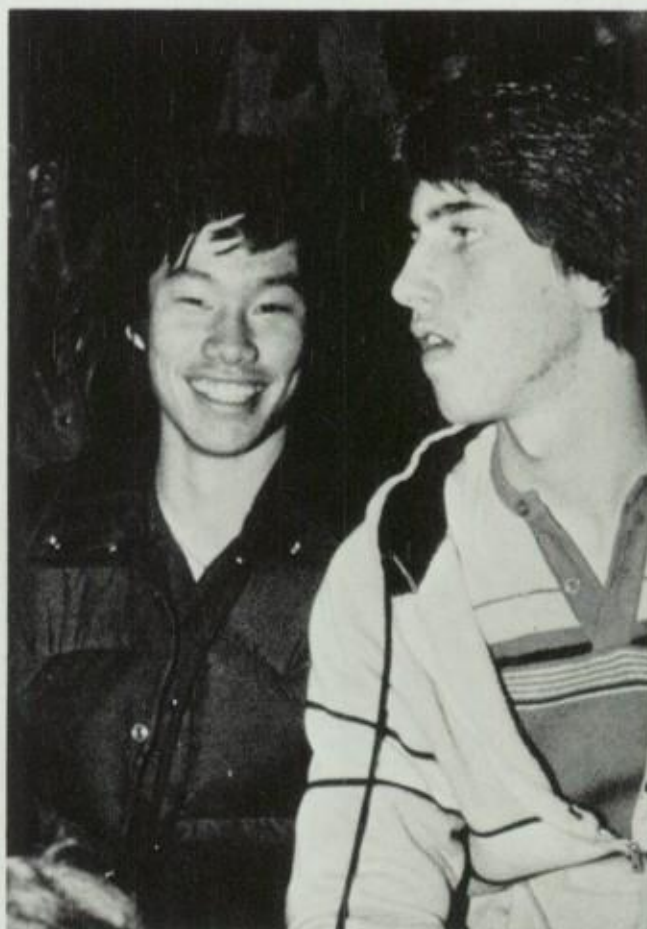

Eric Heiden, speed skater in the '80 Olympics, won a record five gold medals at distances ranging from 500 to 10,000 meters.

In 1969 - 125 runners competed in New York City's 26-mile Marathon, in 1979 - 11,553. Forty-million Americans jog. Muhammad Ali was heavyweight champion of the universe. Henry Aaron hit 755th homerun, surpassing Babe Ruth's record. Mark Spitz won seven gold medals for swimming in the '72 Olympics. Bruce Jenner, '76 Olympic Decathlon gold medalist. Dorothy Hamill won the gold for figure skating at the '76 Olympics. Billie Jean King won a record 20th Wimbledon title, in women's doubles. Pele may be the world's richest athlete. The flying Brazilian came out of retirement in '75 to boost U.S. soccer. Jack Nicklaus, named Athlete of the Decade, probably was. His career earnings, just in tournament prizes, exceeded over \$3.4 million. O. J. Simpson broke the single-season rushing record with 2,003 yards. Mario Andretti became the first American to win the World Driving Championship since 1961. Evel Knievel tried, but failed, to jump the Snake River Canyon on a motorcycle. The '80 U.S. hockey team earned the gold by beating the Soviets and others during fearsome competition. The highlight of the whole Olympic games came when the U.S. beat the Russians 4-3. Eric Heiden did the unbelievable at Lake Placid by winning a record five gold medals at distances ranging from 500 to 10,000 meters. Other stories had not-so-happy endings. Americans Tai Babilonia and Randy Gardner had to pull out of the pairs figure skating competition because of a pulled muscle incurred by Gardner in practice. Linda Fratianne won a silver medal for the U.S. in figure skating competition.

Optimist - Janet Parker

The Reflections staff of 1980 worked from May of '79 through the following May in order to bring you, the student body of JFK, a yearbook that you can be proud of. Approximately \$3,600 was raised throughout the year in advertisements so that we could defray the cost to you which mounted over \$21,000. It has been our goal that this book would be important to all at JFK.

To the staff we give grateful thanks from the bottom of our hearts. We have worked as a great team striving for a common cause and have achieved that goal. We have undoubtedly proved that teamwork is the best way to success. Our combined talent and cooperation were put into preparing for the finished product that we so anxiously awaited at the end of the year. Thanks to you, this moment of unveiling was exciting and full of unbounding joy. You each held a major position in the completion of our masterpiece. We've had a year full of pleasant memories that will never be forgotten. Everyone had their moments of craziness. Remember all the birthday cakes? The dancing in Gualala, and even the decorated yearbook room at Christmastime. We've spent fantastic weekends at Sea Ranch acting like nuts and at the same time knowing that we still were mentally sane. We always managed to eat at any time of the day, in fact, we pigged out often. We've shared all-night deadlines that have brought the crazier side of our personalities out and the strobe wars with our cameras have made full-fledged hams out of us all. We love you all, you are NUMBER ONE!

With love always,

Linda & Kim

Let's look ahead, yet live today
As if it were our last.
Today is ours, tomorrow hence,
And yesterday is past
So in our every effort,
Let our eyes be on a star
With eternal light to guide us
To the Majesty afar.

In Special Memory Of:

*Rodney Foster
Corey Rainwater
Oliver Wright*

A black and white photograph showing a cougar lying down in a snowy field. In the background, a large wooden sign with a roof is visible, with the text "JOHN F. KENNEDY SENIOR HIGH SCHOOL" on it. A large evergreen tree is to the right of the sign, and a building is partially visible behind it.

JOHN F. KENNEDY
SENIOR HIGH SCHOOL
